Item 1.01 Entry into a Material Definitive Agreement

On March 20, 2024, Xerox Holdings Corporation (the “Company”) completed its previously announced private offering of \$500 million aggregate principal amount of 8.875% Senior Notes due 2029 (the “Notes”).

The net proceeds from this offering were approximately \$493 million, after deducting the initial purchasers’ commissions and the estimated offering expenses payable by the Company. The Company intends to use the net proceeds of its offering of the Notes together with the net proceeds of the Convertible Notes Offering (as defined in Item 8.01 herein), to (i) refinance all of Xerox Corporation’s outstanding 3.800% Senior Notes due 2024 and \$362 million of the Company’s 5.000% Senior Notes due 2025, (ii) repay, redeem or repurchase a portion of the Company’s other outstanding indebtedness and (iii) pay related fees and expenses. The terms of the Notes are governed by an indenture dated as of March 20, 2024 (the “Indenture”), among the Company, the subsidiary guarantors party thereto and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”).

The Notes bear interest at a rate of 8.875% per annum payable semi-annually in arrears on May 30 and November 30 of each year, beginning on November 30, 2024. The Notes are unconditionally guaranteed on a senior unsecured basis by Xerox Corporation and Xerox Business Solutions, LLC and will be unconditionally guaranteed on a senior unsecured basis by certain other wholly owned domestic restricted subsidiaries of the Company that incur certain material indebtedness for borrowed money.

At any time and from time to time prior to November 30, 2026, the Company may redeem some or all of the Notes for cash at a redemption price equal to 100% of their principal amount, plus the applicable “make-whole” premium described in the Indenture and accrued and unpaid interest, if any, to, but excluding, the applicable redemption date. Beginning on November 30, 2026, the Company may redeem some or all of the Notes at any time and from time to time at the applicable redemption prices listed in the Indenture, plus accrued and unpaid interest, if any, to, but excluding, the applicable redemption date. In addition, at any time and from time to time prior to November 30, 2026, the Company may redeem up to 40% of the aggregate principal amount of the Notes with funds from one or more equity offerings at a redemption price equal to 108.875% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but excluding, the applicable redemption date.

If the Company experiences a Change of Control Triggering Event (as defined in the Indenture), the Company is required to offer to repurchase the Notes at 101% of the principal amount of such Notes, plus accrued and unpaid interest, if any, to, but excluding, the date of repurchase.

The Indenture contains covenants that, among other things, limit the Company’s ability and the ability of its restricted subsidiaries to incur or guarantee additional indebtedness, pay dividends or make other restricted payments, prepay, redeem or repurchase certain subordinated debt, issue certain preferred stock or similar equity securities, make loans and investments, sell or otherwise dispose of assets, incur liens, enter into transactions with affiliates, enter into agreements restricting its subsidiaries’ ability to pay dividends, and consolidate, merge or sell all or substantially all assets.

The Indenture provides for customary events of default which include (subject in certain cases to customary grace and cure periods), among others, nonpayment of principal or interest, breach of other agreements in respect of the Notes, failure to pay certain other indebtedness, failure to pay certain final judgments, failure of certain guarantees to be enforceable and certain events of bankruptcy or insolvency.

The foregoing summary and description of the Indenture and the Notes does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Indenture, which is filed as Exhibit 4.1 hereto and incorporated by reference herein.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

The disclosure set forth above under Item 1.01 is hereby incorporated by reference into this Item 2.03.

Item 8.01 Other Events.

On March 25, 2024, the Company announced the full exercise of the over-allotment option for its offering of 3.75% Convertible Senior Notes due 2030 (the “Convertible Notes Offering”), raising an additional \$50 million and bringing the total gross proceeds from the Convertible Notes Offering to \$400 million, as well as the early settlement of its cash tender offers, resulting in the repurchase of \$82.8 million aggregate principal amount of Xerox Corporation’s 3.800% Senior Notes due 2024 and \$362 million aggregate principal amount of the Company’s 5.000% Senior Notes due 2025.

NOW, THEREFORE, the Company, each Guarantor and the Trustee agree as follows for the benefit of each other and for the equal and ratable benefit of the Holders (as defined herein):

ARTICLE I

DEFINITIONS AND OTHER PROVISIONS
OF GENERAL APPLICATION

Section 101. Definitions.

“2030 Convertible Notes” means the Company’s 3.75% convertible senior notes due 2030 that are offered and sold in the Concurrent Convertible Notes Offering.

“ABL Credit Agreement” means the Credit Agreement, dated as of May 22, 2023, among the Company, Xerox Corp., the Subsidiaries of Xerox Corp. party thereto, as borrowers and/or guarantors, the lenders and issuing banks party thereto and Citibank, N.A., as administrative agent, collateral agent and swing line lender, and as amended, restated, supplemented, waived or otherwise modified from time to time or refunded, refinanced, restructured, replaced, renewed, repaid, increased or extended from time to time (whether in whole or in part, whether with the original administrative agent and lenders or other agents and lenders or otherwise).

“ABL Facility” means the collective reference to the ABL Credit Agreement, any Loan Documents (as defined therein), any notes and letters of credit issued pursuant thereto and any guarantee and collateral agreement, patent and trademark security agreement, mortgages, letter of credit applications and other guarantees, pledge agreements, security agreements and collateral documents, and other instruments and documents, executed and delivered pursuant to or in connection with any of the foregoing, in each case as the same may be amended, supplemented, waived or otherwise modified from time to time, or refunded, refinanced, restructured, replaced, renewed, repaid, increased or extended from time to time (whether in whole or in part, whether with the original administrative agent and lenders or other agents and lenders or otherwise, and whether provided under the original ABL Credit Agreement or one or more other credit agreements, indentures (including this Indenture) or financing agreements or otherwise), except to the extent such agreement, instrument or document expressly provides that it is not intended to be and is not an ABL Facility. Without limiting the generality of the foregoing, the term “ABL Facility” shall include any agreement (i) changing the maturity of any Indebtedness Incurred thereunder or contemplated thereby, (ii) adding Subsidiaries of the Company as additional borrowers or guarantors thereunder, (iii) increasing the amount of Indebtedness Incurred thereunder or available to be borrowed thereunder or (iv) otherwise altering the terms and conditions thereof.

“Acquired EBITDA” means, with respect to any Acquired Entity or Business or Converted Restricted Subsidiary for any period, the amount for such period of Consolidated EBITDA of such Acquired Entity or Business or Converted Restricted Subsidiary (determined as if references to the Company and its Restricted Subsidiaries in the definition of the term “Consolidated EBITDA” were references to such Acquired Entity or Business and its Restricted Subsidiaries or to such Converted Restricted Subsidiary and its Subsidiaries), all as determined on a consolidated basis for such Acquired Entity or Business or Converted Restricted Subsidiary, as the case may be.

“Acquired Indebtedness” means Indebtedness of a Person (i) existing at the time such Person becomes a Subsidiary or (ii) assumed in connection with the acquisition of assets from such Person, in each case other than Indebtedness Incurred in connection with, or in contemplation of, such Person becoming a Subsidiary or such acquisition. Acquired Indebtedness shall be deemed to be Incurred on the date of the related acquisition of assets from any Person or the date the acquired Person becomes a Subsidiary.

“Additional Assets” means (i) any property or assets that replace the property or assets that are the subject of an Asset Disposition; (ii) any property or assets (other than Indebtedness and Capital Stock) used or to be used by the Company or a Restricted Subsidiary or otherwise useful in a Related Business, and any capital expenditures in respect of any property or assets already so used; (iii) the Capital Stock of a Person that is engaged in a Related Business and becomes a Restricted Subsidiary as a result of the acquisition of such Capital Stock by the Company or another Restricted Subsidiary; or (iv) Capital Stock of any Person that at such time is a Restricted Subsidiary acquired from a third party.

“Additional Notes” means any additional Notes (other than the Initial Notes) issued from time to time under this Indenture in accordance with Sections 303 and 407; whether or not they bear the same CUSIP number.

“Affiliate” of any specified Person means any other Person, directly or indirectly, controlling or controlled by or under direct or indirect common control with such specified Person. For the purposes of this definition, “control” when used with respect to any Person means the power to direct the management and policies of such Person, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise; and the terms “controlling” and “controlled” have meanings correlative to the foregoing.

“Applicable Premium” means with respect to any Note at any Redemption Date, as provided by the Company, the greater of (i) 1.00% of the principal amount of such Note and (ii) the excess, if any, of (A) the present value at such Redemption Date of (1) the redemption price of such Note at November 30, 2026 (such redemption price being set forth in the table appearing in Section 1009), plus (2) all required remaining scheduled payments of interest due on such Note through November 30, 2026 (but excluding accrued and unpaid interest, if any, to, but excluding, the Redemption Date), computed using a discount rate equal to the Treasury Rate, plus 50 basis points, over (B) the principal amount of such Note on such Redemption Date.

“Asset Disposition” means any sale, lease, transfer or other disposition of shares of Capital Stock of a Restricted Subsidiary (other than directors’ qualifying shares, or (in the case of a Foreign Subsidiary) to the extent required by applicable law), property or other assets (each referred to for the purposes of this definition as a “disposition”) by the Company or any of its Restricted Subsidiaries (including any disposition by means of a merger, consolidation or similar transaction) other than (i) a disposition to the Company or a Restricted Subsidiary, (ii) a disposition in the ordinary course of business and any disposition of surplus, obsolete, damaged, unnecessary, unsuitable or worn out equipment or other property, (iii) a disposition of Cash Equivalents, Investment Grade Securities or Temporary Cash

Nothing in this paragraph shall be construed to prevent the Company from setting a new record date for

any action for which a record date has previously been set pursuant to this paragraph (whereupon the record date previously set shall automatically and with no action by any Person be cancelled and of no effect), and nothing in this paragraph shall be construed to render ineffective any action taken by Holders of the requisite principal amount of Outstanding Notes on the date such action is taken. Promptly after any record date is set pursuant to this paragraph, the Company, at its expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Trustee in writing and to each Holder of Notes in the manner set forth in Section 110.

Promptly after any record date is set pursuant to this paragraph, the Trustee, at the Company's expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Company in writing and to each Holder of Notes in the manner set forth in Section 110.

(iii) With respect to any record date set pursuant to this Section 108, the party hereto that sets such record dates may designate any day as the "Expiration Date" and from time to time may change the Expiration Date to any earlier or later day; provided that no such change shall be effective unless notice of the proposed new Expiration Date is given to the Company or the Trustee, whichever such party is not setting a record date pursuant to this Section 108(e) in writing, and to each Holder of Notes in the manner set forth in Section 110, on or prior to the existing Expiration Date. If an Expiration Date is not designated with respect to any record date set pursuant to this Section 108, the party hereto that set such record date shall be deemed to have initially designated the 180th day after such record date as the Expiration Date with respect thereto, subject to its right to change the Expiration Date as provided in this paragraph. Notwithstanding the foregoing, no Expiration Date shall be later than the 180th day after the applicable record date.

(iv) Without limiting the foregoing, a Holder entitled hereunder to take any action hereunder with regard to any particular Note may do so with regard to all or any part of the principal amount of such Note or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any part of such principal amount.

(v) Without limiting the generality of the foregoing, a Holder, including the Depositary, that is the Holder of a Global Note, may make, give or take, by a proxy or proxies duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, given or taken by Holders, and the Depositary, as the Holder of a Global Note, may provide its proxy or proxies to the beneficial owners of interests in any such Global Note through such depositary's standing instructions and customary practices.

(vi) The Company may fix a record date for the purpose of determining the persons who are beneficial owners of interests in any Global Note held by the Depositary entitled under the procedures of such depositary to make, give or take, by a proxy or proxies duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, given or taken by Holders. If such a record date is fixed, the Holders on such record date or their duly appointed proxy or proxies, and only such persons, shall be entitled to make, give or take such request, demand, authorization direction, notice consent, waiver or other action, whether or not such Holders remain Holders after such record date. No such request, demand, authorization, direction, notice, consent, waiver or other action shall be valid or effective if made, given or taken more than 90 days after such record date.

In any case where notice to Holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

In case, by reason of the suspension of regular mail service, or by reason of any other cause, it shall be impossible to mail notice of any event as required by any provision of this Indenture, then such notification as shall be made with the approval of the Trustee (such approval not to be unreasonably withheld) shall constitute a sufficient notification for every purpose hereunder.

Notwithstanding any other provision of this Indenture or any Note, where this Indenture or any Note provides for notice of any event (including any notice of redemption) to a Holder of a Global Note (whether by mail or otherwise), such notice shall be sufficiently given if given to the Depositary for such Note (or its designee) pursuant to the customary procedures of such Depositary (including delivery by electronic mail).

Section 113. Separability Clause. In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 114. Benefits of Indenture. Nothing in this Indenture or in the Notes, express or implied, shall give to any Person, other than the parties hereto and their successors hereunder, any Paying Agent and the Holders, any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 115. Governing Law. THIS INDENTURE, THE NOTES AND THE NOTE GUARANTEES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK. THE TRUSTEE, THE COMPANY, ANY OTHER OBLIGOR IN RESPECT OF THE NOTES, EACH GUARANTOR AND (BY THEIR ACCEPTANCE OF THE NOTES) THE HOLDERS AGREE TO SUBMIT TO THE JURISDICTION OF ANY UNITED STATES FEDERAL OR STATE COURT LOCATED IN THE BOROUGH OF MANHATTAN, IN THE CITY OF NEW YORK IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE OR THE NOTES.

Section 116. Waiver of Trial by Jury. Each of the parties hereto, and each Holder of the Notes by acceptance thereof, hereby waives to the fullest extent permitted by applicable law the right to a trial by jury with respect to any litigation directly or indirectly arising out of, under or in connection with this Indenture.

Section 117. Legal Holidays. In any case where any Interest Payment Date, Redemption Date or Stated Maturity of any Note shall not be a Business Day at any Place of Payment, then (notwithstanding any other provision of this Indenture or of the Notes) payment of interest or principal and premium (if any) need not be made at such Place of Payment on such date, but may be made on the next succeeding Business Day at such Place of Payment with the same force and effect as if made on the Interest Payment Date or Redemption Date, or at the Stated Maturity, and no interest shall accrue on such payment for the intervening period.

Section 118. No Personal Liability of Directors, Managers, Officers, Employees, Incorporators and Stockholders. No past, present or future director, manager, officer, employee, incorporator, member, partner or stockholder of the Company, any Guarantor or any Subsidiary of any thereof, in their respective capacities as such, shall have any liability for any obligation of the Company or any Guarantor under the Note Documents, or for any claim based on, in respect of, or by reason of, any such obligation or its creation. Each Noteholder, by accepting the Notes, waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

Section 119. Exhibits and Schedules. All exhibits and schedules attached hereto are by this reference made a part hereof with the same effect as if herein set forth in full.

Section 120. Counterparts. This Indenture may be executed in any number of counterparts, each of which shall be an original; but such counterparts shall together constitute but one and the same instrument. Delivery of an executed counterpart of this Indenture electronically in portable document format (including any electronic signature covered by the U.S. federal ESIGN Act of 2000, Uniform Electronic Transactions Act, the Electronic Signatures and Records Act or other applicable law, *e.g.*, www.docusign.com) or in any other format will be effective as delivery of a manually executed counterpart. Notwithstanding anything in this Indenture to the contrary, all notices, approvals, consents, requests and any communications hereunder or with respect to the Notes must be in writing (provided that any communication sent to Trustee hereunder must be in the form of a document that is signed manually or by way of a digital signature provided by DocuSign (or such other digital signature provider as specified in writing to Trustee by the authorized representative), in English. The Company agrees to assume all risks arising out of the use of using electronic signatures and electronic methods to submit communications to the Trustee, including without limitation the risk of Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

Section 121. Force Majeure. To the extent permitted by the TIA, in no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services (it being understood that the Trustee shall use commercially reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances).

Section 122. USA PATRIOT Act. The parties hereto acknowledge that in accordance with Section 326 of the USA PATRIOT Act, the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The parties to this Indenture agree that they will provide the Trustee (acting in any capacity hereunder) with such information as it may reasonably request in order for the Trustee to satisfy the requirements of the USA PATRIOT Act.

Section 123. Limited Condition Transaction and Incurrence-Based Amounts.

(a) In connection with any action being taken in connection with a Limited Condition Transaction, for purposes of determining compliance with any provision of this Indenture which requires that no Default, Event of Default or specified Event of Default, as applicable, has occurred, is continuing or would result from any such action, as applicable, such condition shall, at the option of the Company, be deemed satisfied, so long as no Default, Event of Default or specified Event of Default, as applicable, exists on the date the definitive agreements for such Limited Condition Transaction are entered into or irrevocable notice (which may be conditional) of redemption, repurchase, defeasance, satisfaction and discharge or repayment of Indebtedness, Disqualified Stock or Preferred Stock is given. For the avoidance of doubt, if the Company has exercised its option under the first sentence of this Section 123, and any Default, Event of Default or specified Event of Default, as applicable, occurs following the date the definitive agreements for the applicable Limited Condition Transaction were entered into or irrevocable notice (which may be conditional) of redemption, repurchase, defeasance, satisfaction and discharge or repayment of Indebtedness, Disqualified Stock or Preferred Stock is given and prior to the consummation of such Limited Condition Transaction, any such Default, Event of Default or specified Event of Default, as applicable, shall be deemed to not have occurred or be continuing for purposes of determining whether any action being taken in connection with such Limited Condition Transaction is permitted hereunder.

In connection with any action being taken in connection with a Limited Condition Transaction, for purposes of:

(i) determining compliance with any provision of this Indenture which requires the calculation of the Consolidated Coverage Ratio, the Consolidated Secured Net Leverage Ratio or the Consolidated Total Net Leverage Ratio; or

(ii) testing baskets set forth in this Indenture (including baskets measured as a percentage of LTM EBITDA);

in each case, at the option of the Company (the Company's election to exercise such option in connection with any Limited Condition Transaction, an "LCT Election"), the date of determination of whether any such action is permitted hereunder, shall be deemed to be the date the definitive agreements for such Limited Condition Transaction are entered into or irrevocable notice (which may be conditional) of redemption, repurchase, defeasance, satisfaction and discharge or repayment of Indebtedness, Disqualified Stock or Preferred Stock is given, as applicable (the "LCT Test Date"), and if, after giving pro forma effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any Incurrence or discharge of Indebtedness and the use of proceeds of such Incurrence) as if they had occurred at the beginning of the most recent four consecutive fiscal quarters ending prior to the LCT Test Date for which consolidated financial statements of the Company are available, the Company could have taken such action on the relevant LCT Test Date in compliance with such ratio, basket or amount, such ratio, basket or amount shall be deemed to have been complied with. For the avoidance of doubt, if the Company has made an LCT Election and any of the ratios, baskets or amounts for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio, basket or amount, including due to fluctuations in LTM EBITDA of the Company or the Person subject to such Limited Condition Transaction or any applicable currency exchange rate, at or prior to the consummation of the relevant transaction or action, such baskets, ratios or amounts will not be deemed to have been exceeded as a result of such fluctuations. If the Company has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio, basket or amount with respect to the Incurrence of Indebtedness or Liens, or the making of Restricted Payments, Asset Dispositions, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Company or the designation of an Unrestricted Subsidiary on or following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio, basket or amount shall be calculated on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any Incurrence or discharge of Indebtedness and the use of proceeds thereof) have been consummated.

(b) Notwithstanding anything to the contrary herein and whether or not in connection with a Limited Condition Transaction, unless the Company otherwise elects, with respect to any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Indenture that does not require compliance with a financial ratio or financial test (including any Consolidated Secured Net Leverage Ratio test, Consolidated Total Net Leverage Ratio test and/or any Consolidated Coverage Ratio test) (any such amounts, the "Fixed Amounts") substantially concurrently with any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Indenture that requires compliance with a financial ratio or financial test (including any Consolidated Secured Net Leverage Ratio test, Consolidated Total Net Leverage Ratio test and/or any Consolidated Coverage Ratio test) (any such amounts, the "Incurrence-Based Amounts") it is understood and agreed that (A) the incurrence of the Incurrence-Based Amount shall be calculated first without giving effect to any Fixed Amount but giving full pro forma effect to the use of proceeds of such Fixed Amount and the related transactions and (B) the

incurrence of the Fixed Amount shall be calculated thereafter. Unless the Company elects otherwise, the Company shall be deemed to have used amounts under an Incurrence-Based Amount then available to the Company prior to utilization of any amount under a Fixed Amount then available to the Company.

ARTICLE III

THE NOTES

Section 301. General Terms; Additional Notes. All Notes will vote (or consent) as a class with the other Notes and otherwise be treated as a single class of Notes for all purposes of this Indenture. Each Note will bear interest at a rate of 8.875% per annum from the Issue Date or from the most recent date to which interest has been paid or provided for, payable semi-annually on May 30 and November 30 of each year (each such date, an “Interest Payment Date”), commencing November 30, 2024 to Holders of record as of the close of business on the Regular Record Date for such interest, which shall be May 15 or November 15 (whether or not a Business Day), as the case may be, next preceding such Interest Payment Date.

Additional Notes ranking *pari passu* with the Initial Notes may be created and issued from time to time by the Company without notice to or consent of the Holders and shall be consolidated with and form a single class with the Initial Notes and shall have the same terms as to status, redemption or otherwise as the Initial Notes other than with respect to the date of issuance and, if applicable, original interest accrual date and original interest payment date; provided that the Company’s ability to issue Additional Notes shall be subject solely to the Company’s compliance with Section 407 hereof. Any Additional Notes may be issued with the benefit of an indenture supplemental to this Indenture; provided further, however, that in the event any Additional Notes are not fungible with the Initial Notes for U.S. federal income tax purposes, such non-fungible notes will be issued with a separate CUSIP number or ISIN so they are distinguishable from the Initial Notes.

The terms and provisions contained in the Notes will constitute, and are hereby expressly made, a part of this Indenture and the Company, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

Section 302. Denominations. The Notes shall be issuable only in fully registered form, without coupons, and only in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

Section 303. Execution, Authentication and Delivery and Dating. The Notes shall be executed on behalf of the Company by one Officer of the Company. The signature of any such Officer on the Notes may be manual or electronic.

Notes bearing the manual, electronic or facsimile signature of an individual who was at any time an Officer of the Company shall bind the Company, notwithstanding that such individual has ceased to hold such office prior to the authentication and delivery of such Notes or did not hold such office at the date of such Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Notes executed by the Company to the Trustee for authentication; and upon receipt of an Authentication Order, the Trustee shall authenticate and deliver (i) Initial Notes for original issue in the aggregate principal amount not to exceed \$500.0 million and (ii) subject to Section 407, Additional Notes from time to time for original issue in aggregate principal amounts specified by the Company (which shall have identical terms as the Initial Notes, other than with respect to the date of issuance and, if applicable, original interest accrual date and original interest payment date), in each case specified in clauses (i) and (ii) above, upon a written order of the Company in the form of an Officer’s Certificate of

the Company (an “Authentication Order”). Such Authentication Order shall specify the amount of Notes to be authenticated and the date on which the Notes are to be authenticated, the “CUSIP”, “ISIN”, “Common Code” or other similar identification numbers of such Notes, if any, whether the Notes are to be Initial Notes or Additional Notes, the issue price (in the case of Additional Notes) and whether the Notes are to be issued as one or more Global Notes or Physical Notes and such other information as the Company may include or the Trustee may reasonably request.

All Notes shall be dated the date of their authentication.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual or electronic signature, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

Section 304. Temporary Notes. Until definitive Notes are ready for delivery, the Company may prepare and upon receipt of an Authentication Order the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Company considers appropriate for temporary Notes. If temporary Notes are issued, the Company will cause definitive Notes to be prepared without unreasonable delay. After the preparation of definitive Notes, the temporary Notes shall be exchangeable for definitive Notes upon surrender of the temporary Notes at the office or agency of the Company in a Place of Payment, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Notes, the Company shall execute and upon receipt of an Authentication Order the Trustee shall authenticate and deliver in exchange therefor a like principal amount of definitive Notes of authorized denominations. Until so exchanged the temporary Notes shall in all respects be entitled to the same benefits under this Indenture as definitive Notes.

Section 305. Note Registrar and Paying Agent. The Company shall cause to be kept at the Corporate Trust Office of the Trustee a register (the register maintained in such office and in any other office or agency of the Company in a Place of Payment being herein sometimes collectively referred to as the “Note Register”) in which, subject to such reasonable regulations as it may prescribe, such Company shall provide for the registration of Notes and of transfers of Notes. The Company may have one or more co-registrars. The term “Note Registrar” includes any co-registrars.

The Company initially appoints the Trustee as “Note Registrar” and “Paying Agent” in connection with the Notes, until such time as it has resigned or a successor has been appointed. The Company may have one or more additional paying agents, and the term “Paying Agent” shall include any additional Paying Agent. The Company may change the Paying Agent or Note Registrar without prior notice to the Holders of Notes. The Company may enter into an appropriate agency agreement with any Note Registrar or Paying Agent not a party to this Indenture. Any such agency agreement shall implement the provisions of this Indenture that relate to such agent. The Company shall notify the Trustee in writing of the name and address of any such agent. If the Company fails to appoint or maintain a Note Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 707. The Company or any Restricted Subsidiary of the Company may act as Paying Agent (except for purposes of Section 1103 or Section 1205) or Note Registrar. In acting hereunder and in connection with the Notes, the Note Registrar and the Paying Agent shall act solely as agents of the Company, and will not thereby assume any obligations towards or relationship of agency or trust for or with any Holder of the Notes.

Upon surrender for transfer of any Note at the office or agency of the Company in a Place of Payment, in compliance with all applicable requirements of this Indenture and applicable law, the

Company shall execute, and upon receipt of an Authentication Order, the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes, of any authorized denominations and of a like aggregate principal amount.

At the option of the Holder, Notes may be exchanged for other Notes of any authorized denominations and of a like aggregate principal amount, upon surrender of the Notes to be exchanged at such office or agency. Whenever any Notes are so surrendered for exchange, the Company shall execute, and upon receipt of an Authentication Order, the Trustee shall authenticate and deliver, the Notes that the Holder making the exchange is entitled to receive.

All Notes issued upon any transfer or exchange of Notes shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Notes surrendered upon such transfer or exchange.

Every Note presented or surrendered for transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company duly executed, by the Holder thereof or such Holder's attorney duly authorized in writing.

No service charge shall be made for any registration, transfer or exchange of Notes, but the Company or the Trustee may require payment of a sum sufficient to cover any transfer tax or other governmental charge that may be imposed in connection therewith.

The Company shall not be required (i) to issue, transfer or exchange any Note during a period beginning at the opening of business 15 Business Days before the day of the mailing of a notice of redemption (or purchase) of Notes selected for redemption (or purchase) under Section 1004 and ending at the close of business on the day of such mailing or (ii) to transfer or exchange any Note so selected for redemption (or purchase) in whole or in part.

Section 306. Mutilated, Destroyed, Lost and Stolen Notes. If a mutilated Note is surrendered to the Note Registrar or if the Holder of a Note claims that the Note has been lost, destroyed or wrongfully taken, the Company shall issue and upon receipt of an Authentication Order, the Trustee shall authenticate a replacement Note if the requirements of Section 8-405 of the Uniform Commercial Code are met, such that the Holder (a) notifies the Company or the Trustee in writing within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Note Registrar does not register a transfer prior to receiving such notification, (b) makes such request to the Company or the Trustee prior to the Note being acquired by a protected purchaser as defined in Section 8-303 of the Uniform Commercial Code and (c) satisfies any other reasonable requirements of the Company. If required by the Trustee or the Company, such Holder shall furnish indemnity, security and/or an indemnity bond sufficient in the judgment of (i) the Trustee to protect the Trustee and (ii) the Company to protect the Company, the Trustee, a Paying Agent and the Note Registrar, from any loss that any of them may suffer if a Note is replaced.

In case any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Note, pay such Note.

Upon the issuance of any new Note under this Section 306, the Company or the Trustee may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 306 in lieu of any destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Note shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and ratably with any and all other Notes duly issued hereunder.

The provisions of this Section 306 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

Section 307. Payment of Interest Rights Preserved. Interest on any Note that is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Note (or one or more Predecessor Notes) is registered at the close of business on the Regular Record Date.

Any interest on any Note that is payable, but is not punctually paid or duly provided for, on any Interest Payment Date (herein called "Defaulted Interest") shall forthwith cease to be payable to the registered Holder on the relevant Regular Record Date by virtue of having been such Holder; and such Defaulted Interest may be paid by the Company, at its election, as provided in clause (1) or clause (2) below:

(1) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Notes (or their respective Predecessor Notes) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee and Paying Agent in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date of the proposed payment, and the Company shall deposit with the Trustee or Paying Agent an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements reasonably satisfactory to the Trustee or Paying Agent for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as provided in this clause (1). Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 nor less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee and the Paying Agent of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class postage prepaid, to each Holder at such Holder's address as it appears in the Note Register, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Notes (or their respective Predecessor Notes) are registered on such Special Record Date and shall no longer be payable pursuant to the following clause (2).

(2) The Company may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange.

Subject to the foregoing provisions of this Section 307, each Note delivered under this Indenture upon transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, that were carried by such other Note.

Section 308. Persons Deemed Owners. The Company, any Guarantor, the Trustee, the Paying Agent and any agent of any of them may treat the Person in whose name any Note is registered as the owner of such Note for the purpose of receiving payment of principal of (and premium, if any), and (subject to Section 307) interest on, such Note and for all other purposes whatsoever, whether or not such Note be overdue, and neither the Company, any Guarantor, the Trustee, the Paying Agent nor any agent of any of them shall be affected by notice to the contrary.

Section 309. Cancellation. All Notes surrendered for payment, redemption, transfer, exchange or conversion shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and, if not already cancelled, shall be promptly cancelled by it. The Company may at any time deliver to the Trustee for cancellation any Notes previously authenticated and delivered hereunder that the Company may have acquired in any manner whatsoever, and all Notes so delivered shall be promptly cancelled by the Trustee. No Notes shall be authenticated in lieu of or in exchange for any Notes cancelled as provided in this Section 309, except as expressly permitted by this Indenture. All cancelled Notes held by the Trustee shall be disposed of by the Trustee in accordance with its customary procedures (subject to the record retention requirements of the Exchange Act).

Section 310. Computation of Interest. Interest on the Notes shall be computed on the basis of a 360-day year of twelve 30-day months.

Section 311. CUSIP Numbers, ISINs, Etc. The Company in issuing Notes may use “CUSIP” numbers, ISINs and “Common Code” numbers (if then generally in use), and if so, the Trustee may use the CUSIP numbers, ISINs and “Common Code” numbers in notices of redemption or exchange as a convenience to Holders; provided, however, that any such notice may state that no representation is made as to the correctness or accuracy of such numbers printed in the notice or on the Notes; that reliance may be placed only on the other identification numbers printed on the Notes; and that any redemption shall not be affected by any defect in or omission of such numbers.

Section 312. Book-Entry Provisions for Global Notes. (a) Each Global Note initially shall (i) be registered in the name of the Depository for such Global Note or the nominee of such Depository, in each case for credit to the account of an Agent Member, and (ii) be delivered to the Trustee as custodian for such Depository. None of the Company, any agent of the Company or the Trustee shall have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a Global Note, or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

(b) Members of, or participants in, the Depository (“Agent Members”) shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Depository, or its custodian, or under such Global Notes. The Depository may be treated by the Company, any other obligor upon the Notes, the Trustee and any agent of any of them as the absolute owner of the Global Notes for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, any other obligor upon the Notes, the Trustee or any agent of any of them from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a beneficial owner of any Note. The Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action that a Holder is entitled to take under this Indenture or the Notes.

(c) Transfers of a Global Note shall be limited to transfers of such Global Note in whole, but, subject to the immediately succeeding sentence, not in part, to the Depository, its successors or their respective nominees. Interests of beneficial owners in a Global Note may not be transferred or exchanged for Physical Notes unless (i) the Company has consented thereto in writing, or such transfer or exchange is made pursuant to the next sentence, and (ii) such transfer or exchange is in accordance with the applicable rules and procedures of the Depository and the provisions of Section 305 and Section 313. Subject to the limitation on issuance of Physical Notes set forth in Section 313(3), Physical Notes shall be

transferred to all beneficial owners in exchange for their beneficial interests in the relevant Global Note, if (i) the Depository notifies the Company at any time that it is unwilling or unable to continue as Depository for the Global Notes and a successor depository is not appointed within 120 days; (ii) the Depository ceases to be registered as a “Clearing Agency” under the Exchange Act and a successor depository is not appointed within 120 days; (iii) the Company, at its option, notifies the Trustee in writing that it elects to cause the issuance of Physical Notes; or (iv) an Event of Default shall have occurred and be continuing with respect to the Notes and the Trustee has received a written request from the Depository to issue Physical Notes.

(d) In connection with any transfer or exchange of a portion of the beneficial interest in any Global Note to beneficial owners for Physical Notes pursuant to Section 312(c), the Note Registrar shall record on its books and records the date and a decrease in the principal amount of such Global Note in an amount equal to the beneficial interest in the Global Note being transferred, and the Company shall execute, and upon receipt of an Authentication Order the Trustee shall authenticate and deliver, one or more Physical Notes of like principal amount of authorized denominations.

(e) In connection with a transfer of an entire Global Note to beneficial owners for Physical Notes pursuant to Section 312(c), the applicable Global Note shall be deemed to be surrendered to the Trustee for cancellation, and the Company shall execute, and upon receipt of an Authentication Order the Trustee shall authenticate and deliver, to each beneficial owner identified by the Depository, in exchange for its beneficial interest in the applicable Global Note, an equal aggregate principal amount of Rule 144A Physical Notes (in the case of any Rule 144A Global Note) or Regulation S Physical Notes (in the case of any Regulation S Global Note), as the case may be, of authorized denominations.

(f) The transfer and exchange of a Global Note or beneficial interests therein shall be effected through the Depository, in accordance with this Indenture (including applicable restrictions on transfer set forth in Section 313) and the procedures thereof of the Depository. Any beneficial interest in one of the Global Notes that is transferred to a Person who takes delivery in the form of an interest in a different Global Note will, upon transfer, cease to be an interest in such Global Note and become an interest in the other Global Note and, accordingly, will thereafter be subject to all transfer restrictions, if any, and other procedures applicable to beneficial interests in such other Global Note for as long as it remains such an interest. A transferor of a beneficial interest in a Global Note shall deliver to the Note Registrar a written order given in accordance with the Depository’s procedures containing information regarding the participant account of the Depository to be credited with a beneficial interest in the relevant Global Note. Subject to Section 313, the Note Registrar shall, in accordance with such instructions, instruct the Depository to credit to the account of the Person specified in such instructions a beneficial interest in such Global Note and to debit the account of the Person making the transfer the beneficial interest in the Global Note being transferred.

(g) Any Physical Note delivered in exchange for an interest in a Global Note pursuant to Section 312(c) shall, unless such exchange is made on or after the Resale Restriction Termination Date applicable to such Note and except as otherwise provided in Section 203 and Section 313, bear the Private Placement Legend.

(h) Notwithstanding the foregoing, through the Restricted Period, a beneficial interest in a Regulation S Global Note may be held only through designated Agent Members holding on behalf of Euroclear or Clearstream unless delivery is made in accordance with the applicable provisions of Section 313.

(i) The Trustee shall have no responsibility or obligation to any beneficial owner in a Global Note, a Participant, an Indirect Participant or other Person with respect to the accuracy of the records of the applicable Depository or their respective nominees or of any Participant, with respect to any

ownership interest in the Notes or with respect to the delivery to any Participant, Indirect Participant, beneficial owner or other Person (other than the Depository of any notice (including any notice of redemption) or the payment of any amount, under or with respect to such Notes. All notices and communications to be given to the Holders and all payments to be made to Holders under the Notes and this Indenture shall be given or made only to or upon the order of the registered holders (which shall be the Depository or its nominee in the case of a Global Note). The rights of beneficial owners in a Global Note shall be exercised only through the Depository, subject to the applicable procedures. The Trustee shall be entitled to rely and shall be fully protected in relying upon information furnished by the Depository with respect to their members, participants and any beneficial owners. The Trustee shall be entitled to deal with the Depository, and any nominee thereof, that is the registered holder of any Global Note for all purposes of this Indenture relating to such Global Note (including the payment of principal, premium, if any, and interest, and the giving of instructions or directions by or to the owner or holder of a beneficial ownership interest in such Global Note) as the sole holder of such Global Note and shall have no obligations to the beneficial owners thereof. The Trustee shall not have any responsibility or liability for the records of any such depository, including records in respect of beneficial ownership interests in respect of any such Global Note, for any transactions between the Depository and any Participant or between or among the Depository, any such Participant and/or any holder or owner of a beneficial interest in such Global Note, or for any transfers of beneficial interests in any such Global Note.

(j) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Notes (including any transfers between or among Depository Participants or beneficial owners of interests in any Global Notes) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof. Neither the Trustee nor any Agent shall have any responsibility or liability for any actions taken or not taken by the Depository.

Such date, as it relates to a Regulation S Global Note, is herein referred to as the "Regulation S Note Exchange Date."

(4) Private Placement Legend. Upon the transfer, exchange or replacement of Notes not bearing the Private Placement Legend, the Note Registrar shall deliver Notes that do not bear the Private Placement Legend. Upon the transfer, exchange or replacement of Notes bearing the Private Placement Legend, the Note Registrar shall deliver only Notes that bear the Private Placement Legend unless (i) the requested transfer is after the relevant Resale Restriction

Termination Date with respect to such Notes, (ii) upon written request of the Company after there is delivered to the Note Registrar an opinion of counsel (which opinion and counsel are satisfactory to the Company) to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act, (iii) with respect to a Regulation S Global Note (on or after the Regulation S Note Exchange Date with respect to such Regulation S Global Note) or Regulation S Physical Note, in each case with the agreement of the Company, or (iv) such Notes are sold or exchanged pursuant to an effective registration statement under the Securities Act.

Delivery of any reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive or actual notice or knowledge of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on an Officer's Certificate). The Trustee shall have no liability or responsibility for the filing, timeliness, or content of such reports. (1) pursuant to an agreement or instrument in effect at or entered into on the Issue Date or pursuant to any Debt Facility, this Indenture or the Notes;

(2) pursuant to any agreement or instrument of a Person, or relating to Indebtedness or Capital Stock of a Person, which Person is acquired by or merged or consolidated with or into the Company or any Restricted Subsidiary, or which agreement or instrument is assumed by the Company or any Restricted Subsidiary in connection with an acquisition of assets from such Person, or any other transaction entered into in connection with any such acquisition, merger or consolidation, as in effect at the time of such acquisition, merger, consolidation or transaction (except to the extent that such Indebtedness was incurred to finance, or otherwise in connection with, such acquisition, merger, consolidation or transaction); provided that for purposes of this clause (2), if a Person other than the Company is the Successor Company with respect thereto, any Subsidiary thereof or agreement or instrument of such Person or any such Subsidiary shall be deemed acquired or assumed, as the case may be, by the Company or a Restricted Subsidiary, as the case may be, when such Person becomes such Successor Company;

(3) pursuant to an agreement or instrument (a “Refinancing Agreement”) effecting a refinancing of Indebtedness Incurred or outstanding pursuant or relating to, or that otherwise extends, renews, refunds, refinances or replaces, any agreement or instrument referred to in clause (1) or (2) of this Section 410 or this clause (3) (an “Initial Agreement”) or that is, or is contained in, any amendment, supplement or other modification to an Initial Agreement or Refinancing Agreement (an “Amendment”); provided, however, that the encumbrances and restrictions contained in any such Refinancing Agreement or Amendment taken as a whole are not materially less favorable to the Holders of the Notes than encumbrances and restrictions contained in the Initial Agreement or Initial Agreements to which such Refinancing Agreement or Amendment relates (as determined in good faith by the Company);

(4) pursuant to customary provisions in joint venture agreements and other similar agreements entered into in the ordinary course of business;

(5) (A) pursuant to any agreement or instrument that restricts in a customary manner the assignment or transfer thereof, or the subletting, assignment or transfer of any property or asset subject thereto, (B) by virtue of any transfer of, agreement to transfer, option or right with respect to, or Lien on, any property or assets of the Company or any Restricted Subsidiary not otherwise prohibited by this Indenture, (C) contained in mortgages, pledges or other security agreements securing Indebtedness or other obligations of the Company or a Restricted Subsidiary to the extent restricting the transfer of the property or assets subject thereto, (D) pursuant to customary provisions restricting dispositions of real property interests set forth in any reciprocal easement agreements of the Company or any Restricted Subsidiary, (E) pursuant to Purchase Money Obligations that impose encumbrances or restrictions on the property or assets so acquired, (F) on cash or other deposits, net worth or inventory imposed by customers, lessors or suppliers under agreements entered into in the ordinary course of business, (G) pursuant to customary provisions contained in agreements and instruments entered into in the ordinary course of business (including but not limited to leases and licenses) or in joint venture and other similar agreements or in shareholder, partnership, limited liability company and other similar agreements in respect of non-Wholly Owned Restricted Subsidiaries, (H) that arises or is agreed to in the ordinary course of business and does not detract from the value of property or assets of the Company or any Restricted Subsidiary in any manner material to the Company or such Restricted Subsidiary, or (I) pursuant to Hedging Obligations, Bank Products Obligations, Third-Party Vendor Financing Programs or Qualified Receivables Transactions;

(6) with respect to any agreement for the direct or indirect disposition of Capital Stock, property or assets of any Person, property or assets, imposing restrictions with respect to such Person, Capital Stock, property or assets pending the closing of such sale or disposition;

(7) by reason of any applicable law, rule, regulation or order, or required by any regulatory authority having jurisdiction over the Company or any Restricted Subsidiary or any of their businesses; or

(8) pursuant to an agreement or instrument (A) relating to any Indebtedness permitted to be Incurred subsequent to the Issue Date pursuant to Section 407 (i) if the encumbrances and restrictions contained in any such agreement or instrument taken as a whole are not materially less favorable to the Holders of the Notes than the encumbrances and restrictions contained in the Initial Agreements (as determined in good faith by the Company) or (ii) if such encumbrance or restriction is not materially more disadvantageous to the Holders of the Notes than is customary in comparable financings (as determined in good faith by the Company) and either (x) the Company determines in good faith that such encumbrance or restriction will not materially affect the Company’s ability

to make principal or interest payments on the Notes or (y) such encumbrance or restriction applies only if a default occurs in respect of a payment or financial covenant relating to such Indebtedness, (B) relating to any sale of receivables by or Indebtedness of a Foreign Subsidiary or (C) relating to Indebtedness of or a Financing Disposition by or to or in favor of any Receivables Subsidiary.

Section 411. Limitation on Sales of Assets and Subsidiary Stock. (a) The Company will not, and will not permit any Restricted Subsidiary to, make any Asset Disposition unless:

(i) the Company or such Restricted Subsidiary receives consideration (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) at the time of such Asset Disposition at least equal to the Fair Market Value of the shares and assets subject to such Asset Disposition, as such Fair Market Value (on the date a legally binding commitment for such Asset Disposition was entered into) may be determined in good faith by the Company, whose determination shall be conclusive (including as to the value of all noncash consideration);

(ii) in the case of any Asset Disposition (or series of related Asset Dispositions), at least 75.0% of the consideration therefor (excluding, in the case of an Asset Disposition (or series of related Asset Dispositions), any consideration by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise, that are not Indebtedness) received by the Company or such Restricted Subsidiary is in the form of cash; and

(iii) an amount equal to 100.0% (as may be adjusted pursuant to the last proviso to this Section 411(a)(iii)) of the Net Available Cash from such Asset Disposition is applied by the Company (or any Restricted Subsidiary, as the case may be) as follows:

(A) first, either (x) to the extent the Company or such Restricted Subsidiary elects (or is required by the terms of any Senior Indebtedness of the Company or any Guarantor or any Indebtedness of a Non-Guarantor Subsidiary), to prepay, repay or purchase any such Indebtedness or Obligations in respect thereof or (in the case of letters of credit, bank guarantees, bankers' acceptances or other similar instruments) cash collateralize any such Indebtedness or Obligations in respect thereof (in each case other than Indebtedness owed to the Company or a Restricted Subsidiary) within 365 days after the later of the date of such Asset Disposition and the date of receipt of such Net Available Cash, or (y) to the extent the Company or such Restricted Subsidiary elects, to invest in Additional Assets (including by means of an investment in Additional Assets by a Restricted Subsidiary with an amount equal to Net Available Cash received by the Company or another Restricted Subsidiary) within 365 days from the later of the date of such Asset Disposition and the date of receipt of such Net Available Cash or, if such investment in Additional Assets is a project authorized by the Board of Directors that will take longer than such 365 days to complete, the period of time necessary to complete such project; provided that the Company and its Restricted Subsidiaries will be deemed to have reinvested such Net Available Cash if and to the extent that, within 365 days after the Asset Disposition that generated the Net Available Cash, the Company or such Restricted Subsidiary has entered into and not abandoned or rejected a binding agreement to consummate any such investment described in this clause (A) with the good faith expectation that such Net Available Cash will be applied to satisfy such commitment within 180 days of such commitment;

(B) second, to the extent of the balance of such Net Available Cash after application in accordance with clause (A) above (such balance, the "Excess Proceeds"), to

make an offer to purchase Notes and (to the extent the Company or such Restricted Subsidiary elects, or is required by the terms thereof) to purchase, redeem, prepay or repay any other Senior Indebtedness of the Company or a Restricted Subsidiary, pursuant and subject to Section 411(b), and Section 411(c), and the agreements governing such other Indebtedness; and

(C) third, to the extent of the balance of such Net Available Cash after application in accordance with clauses (A) and (B) above, to fund (to the extent consistent with any other applicable provision of this Indenture) any general corporate purpose (including but not limited to the repurchase, repayment or other acquisition or retirement of any Subordinated Obligations or the making of other Restricted Payments);

provided, however, that (1) in connection with any prepayment, repayment or purchase of Indebtedness pursuant to clause (A)(x) or (B) above, the Company or such Restricted Subsidiary will cause the related loan commitment (if any) to be permanently reduced in an amount equal to the principal amount so prepaid, repaid or purchased and (2) the Company (or any Restricted Subsidiary, as the case may be) may elect to invest in Additional Assets prior to receiving the Net Available Cash attributable to any given Asset Disposition (provided that such investment shall be made no earlier than the earliest of notice to the Trustee of the relevant Asset Disposition, execution of a definitive agreement for the relevant Asset Disposition, and consummation of the relevant Asset Disposition) and deem the amount so invested to be applied pursuant to and in accordance with clause (A)(y) above with respect to such Asset Disposition.

Notwithstanding the foregoing provision in Section 411(a)(iii), to the extent that repatriating any or all of the Net Available Cash from any Asset Disposition by a Foreign Subsidiary (x) would result in material adverse tax consequences to the Company or any of its Subsidiaries or (y) is prohibited or delayed by applicable local law, rule or regulation or by applicable organizational documents or any agreement from being repatriated to the United States (in the case of the foregoing clauses (x) and (y), as reasonably determined by the Company in good faith which determination shall be conclusive), the portion of such Net Available Cash so affected will not be required to be applied in compliance with Section 411(a)(iii), and such amounts may be retained by the applicable Foreign Subsidiary and may be used by such Foreign Subsidiary for any purpose not in violation of this Indenture; provided that, in the case of this clause (y), the Company shall take commercially reasonable efforts to cause the applicable Foreign Subsidiary to take all actions reasonably required by the applicable local law, rule or regulation or applicable organizational impediments or other impediment to permit such repatriation, and if such repatriation of any of such affected Net Available Cash can be achieved such repatriation will be promptly effected and such repatriated Net Available Cash will be applied (whether or not repatriation actually occurs) in compliance with Section 411(a)(iii). The time periods set forth in this Section 411 shall not start until such time as the Net Available Cash may be repatriated whether or not such repatriation actually occurs. Notwithstanding the foregoing provision in Section 411(a)(iii), to the extent the Net Available Cash from any Asset Disposition are attributable to an Asset Disposition made by a non-Wholly Owned Subsidiary, the amount of such Net Available Cash required to be applied shall not exceed the lesser of (x) an amount corresponding to the proportionate ownership interests in such non-Wholly Owned Subsidiary held by the Company or any Wholly Owned Restricted Subsidiary and (y) the amount corresponding to the amount of distributions permitted to be made from such non-Wholly Owned Subsidiary to the Company or its direct or indirect parent entity that is a Wholly Owned Restricted Subsidiary, as applicable, for such purposes at the time such prepayment is required to be made.

Notwithstanding the foregoing provisions of this Section 411, the Company and the Restricted Subsidiaries shall not be required to apply any Net Available Cash or equivalent amount in accordance with this Section 411 except to the extent that the aggregate Net Available Cash from all Asset Dispositions or equivalent amount that is not applied in accordance with this Section 411 exceeds the

greater of (x) \$25.0 million and (y) 2.50% of LTM EBITDA. If the aggregate principal amount of Notes and/or other Indebtedness of the Company or a Restricted Subsidiary validly tendered and not withdrawn (or otherwise subject to purchase, redemption or repayment) in connection with an offer pursuant to clause (B) above exceeds the Excess Proceeds, the Excess Proceeds will be apportioned between such Notes and such other Indebtedness of the Company or a Restricted Subsidiary, with the portion of the Excess Proceeds payable in respect of such Notes to equal the lesser of (x) the Excess Proceeds amount multiplied by a fraction, the numerator of which is the outstanding principal amount of such Notes and the denominator of which is the sum of the outstanding principal amount of the Notes and the outstanding principal amount of the relevant other Indebtedness of the Company or a Restricted Subsidiary, and (y) the aggregate principal amount of Notes validly tendered and not withdrawn.

For the purposes of Section 411(a)(ii), the following are deemed to be cash: (1) Temporary Cash Investments and Cash Equivalents; (2) the assumption of Indebtedness of the Company (other than Disqualified Stock of the Company) or any Restricted Subsidiary and the release of the Company or such Restricted Subsidiary from all liability on payment of the principal amount of such Indebtedness in connection with such Asset Disposition; (3) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Disposition, to the extent that the Company and each other Restricted Subsidiary are released from any Guarantee of payment of the principal amount of such Indebtedness in connection with such Asset Disposition; (4) securities received by the Company or any Restricted Subsidiary from the transferee that are convertible by the Company or such Restricted Subsidiary into cash within 180 days; (5) consideration consisting of Indebtedness of the Company or any Restricted Subsidiary; (6) Additional Assets; and (7) any Designated Noncash Consideration received by the Company or any of its Restricted Subsidiaries in an Asset Disposition having an aggregate Fair Market Value, taken together with all other Designated Noncash Consideration received pursuant to this clause, not to exceed an aggregate amount at any time outstanding equal to the greater of (a) \$100.0 million and (b) 10.0% of LTM EBITDA (with the Fair Market Value of each item of Designated Noncash Consideration being measured on the date a legally binding commitment for such disposition (or, if later, for the payment of such item) was entered into and without giving effect to subsequent changes in value).

Pending the final application of any such amount of Net Available Cash, the Company or any Restricted Subsidiary may temporarily reduce Indebtedness under a revolving credit facility, if any, or otherwise invest or utilize such Net Available Cash in any manner not prohibited by this Indenture.

(b) In the event of an Asset Disposition that requires the purchase of Notes pursuant to Section 411(a)(iii)(B), the Company will be required to purchase Notes validly tendered and not withdrawn pursuant to an offer by the Company for the Notes (the "Offer") at a purchase price of 100.0% of their principal amount plus accrued and unpaid interest to the date of purchase in accordance with the procedures (including prorating among the Notes and other applicable Indebtedness) set forth in Section 411(c). If the aggregate purchase price of the Notes validly tendered and not withdrawn pursuant to the Offer is less than the Net Available Cash allotted to the purchase of Notes, the remaining Net Available Cash will be available to the Company and the Restricted Subsidiaries for use in accordance with Section 411(a)(iii)(B) (to repay other Senior Indebtedness of the Company or a Restricted Subsidiary) or Section 411(a)(iii)(C) and the amount of Excess Proceeds will be reset at zero. The Company shall not be required to make an Offer for Notes pursuant to this Section 411 if the Net Available Cash available therefor (after application of the proceeds as provided in Section 411(a)(iii)(A)) is less than the greater of (x) \$25.0 million and (y) 2.50% of LTM EBITDA for any particular Asset Disposition (which lesser amounts shall be carried forward for purposes of determining whether an Offer is required with respect to the Net Available Cash from any subsequent Asset Disposition). No Note will be repurchased in part if less than \$2,000 in original principal amount of such Note would be left outstanding.

(c) The Company shall, not later than 45 days after the Company becomes obligated to make an Offer pursuant to this Section 411, mail or otherwise deliver in accordance with the applicable procedures of DTC a notice to each Holder with a copy to the Trustee stating: (1) that an Asset Disposition that requires the purchase of a portion of the Notes has occurred and that such Holder has the right (subject to the prorating described below) to require the Company to purchase a portion of such Holder's Notes at a purchase price in cash equal to 100.0% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of purchase (subject to the right of Holders of record on a record date to receive interest on the relevant Interest Payment Date falling prior to or on the purchase date); (2) the repurchase date (which shall be no earlier than 10 days nor later than 60 days from the date such notice is mailed or delivered, except that such notice may be delivered more than 60 days prior to the purchase date if the purchase is delayed as provided in clause (5) of this Section 411(c)); (3) the instructions determined by the Company, consistent with this Section 411, that a Holder must follow in order to have its Notes purchased; (4) the amount of the Offer which amount may be contingent upon the Net Available Cash remaining following the application of Net Available Cash pursuant to Section 411(a)(iii)(A) and (5) if such notice is mailed or delivered prior to the date the Net Available Cash attributable to such Asset Disposition is received, that such offer is conditioned upon receipt of such Net Available Cash and that the purchase date may, in the Company's discretion, be delayed until such time as the Net Available Cash is received. If, upon the expiration of the period for which the Offer remains open, the aggregate principal amount of Notes surrendered by Holders exceeds the amount of the Offer, the Company shall select the Notes to be purchased on a *pro rata* basis (with such adjustments as may be deemed appropriate by the Company so that only Notes in denominations of \$2,000 or integral multiples of \$1,000 in excess thereof shall be purchased).

(d) The Company will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Section 411. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 411, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 411 by virtue thereof.

Section 412. Limitation on Transactions with Affiliates. (a) The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, enter into or conduct any transaction or series of related transactions (including the purchase, sale, lease or exchange of any property or the rendering of any service) with any Affiliate of the Company (an "Affiliate Transaction") involving aggregate consideration in excess of the greater of (x) \$25.0 million and (y) 2.50% of LTM EBITDA unless (i) the terms of such Affiliate Transaction are not materially less favorable to the Company or such Restricted Subsidiary, as the case may be, than those that could be obtained at the time in a transaction with a Person who is not such an Affiliate and (ii) if such Affiliate Transaction involves aggregate consideration in excess of the greater of (x) \$100.0 million and (y) 10.0% of LTM EBITDA, the terms of such Affiliate Transaction have been approved by a majority of the Board of Directors. For purposes of this Section 412(a), any Affiliate Transaction shall be deemed to have satisfied the requirements set forth in this Section 412(a) if (x) such Affiliate Transaction is approved by a majority of the Disinterested Directors or (y) a fairness opinion is provided by a nationally recognized appraisal or investment banking firm with respect to such Affiliate Transaction.

(b) The provisions of Section 412(a) will not apply to:

(i) any Restricted Payment Transaction;

(ii) (1) the entering into, maintaining or performance of any employment or consulting contract, collective bargaining agreement, benefit plan, program or arrangement, related trust agreement or any other similar arrangement for or with any current or former management member,

employee, officer, director, independent contractor or consultant of or to the Company or any Restricted Subsidiary heretofore or hereafter entered into in the ordinary course of business, including vacation, health, insurance, deferred compensation, severance, retirement, savings or other similar plans, programs or arrangements, (2) payments, compensation, performance of indemnification or contribution obligations, the making or cancellation of loans, advances and guarantees in the ordinary course of business to any such management members, employees, officers, directors, independent contractor or consultants, (3) any issuance, grant or award of stock, options, other equity related interests or other securities, to any such management members, employees, officers, directors or consultants, (4) the payment of reasonable fees, reasonable out-of-pocket costs and indemnities to present or former directors of the Company or any of its Subsidiaries (as determined in good faith by the Company or such Subsidiary) or (5) any transaction with an officer or director of the Company or any of its Subsidiaries in the ordinary course of business;

(iii) any transaction between or among any of the Company or one or more Restricted Subsidiaries, or one or more Receivables Subsidiaries;

(iv) any transaction arising out of agreements or instruments in existence on the Issue Date (or any amendment, restatement, supplement, modification or replacement thereof, so long as such amendment, restatement, supplement, modification or replacement is not adverse to the Holders of the Notes in any material respect as determined in good faith by the Company), and any payments made pursuant thereto;

(v) any transaction in the ordinary course of business on terms that are fair to the Company and its Restricted Subsidiaries in the reasonable determination of the Board of Directors or senior management of the Company, or are not materially less favorable to the Company or the relevant Restricted Subsidiary than those that could be obtained at the time in a transaction with a Person who is not an Affiliate of the Company;

(vi) any transaction in the ordinary course of business, or approved by a majority of the Board of Directors, between the Company or any Restricted Subsidiary and any Affiliate of the Company controlled by the Company that is a joint venture or similar entity;

(vii) the Refinancing Transactions, all transactions in connection therewith (including but not limited to the financing thereof), and all fees and expenses paid or payable in connection with the Refinancing Transactions;

(viii) any issuance or sale of Capital Stock (other than Disqualified Stock) of the Company or any capital contribution to the Company;

(ix) any investment by any Affiliate of the Company in securities or term loans of the Company or any of its Restricted Subsidiaries (and payment of out-of-pocket expenses incurred by any such Affiliate in connection therewith) so long as such securities or term loans are being offered generally to investors (other than Affiliates of the Company) on the same or more favorable terms;

(x) any transaction with any Person that is an Affiliate of the Company or any Restricted Subsidiary that would constitute an Affiliate Transaction solely because the Company or any Restricted Subsidiary owns (directly or indirectly) an equity interest in, or controls (including pursuant to any management agreement or otherwise), such Person;

(xi) transactions with joint ventures for the purchase or sale of goods, equipment and services entered into in the ordinary course of business;

(xii) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, in each case, in the ordinary course of business and otherwise in compliance with the terms of this Indenture, that are fair to the Company and its Restricted Subsidiaries as determined in good faith by the Company;

(xiii) transactions between or among the Company and its Restricted Subsidiaries and any Person, a director of which is also a director of the Company, so long as (1) such director abstains from voting as a director of the Company, as the case may be, on any matter involving such other Person and (2) such Person is not an Affiliate of the Company for any reason other than such director's acting in such capacity;

(xiv) intercompany transactions undertaken in good faith for the purpose of improving the consolidated tax efficiency of the Company and its Restricted Subsidiaries and/or any other Subsidiaries of the Company, and not for the purpose of circumventing any covenant set forth herein;

(xv) any transaction effected as part of a Qualified Receivables Transaction;

(xvi) pledges of the Capital Stock of Unrestricted Subsidiaries (together with assets related thereto and the proceeds or products of any of the foregoing) to secure Indebtedness or other obligations of such Unrestricted Subsidiary or Guarantees thereof; and

(xvii) transactions with any Receivables Subsidiary or any Restricted Subsidiary, joint venture or other arrangement created in connection with any Third-Party Vendor Financing Program or any other receivables financing, and the provision of billing, collection and other services in connection with the foregoing.

Section 413. Limitation on Liens. The Company shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, create or permit to exist any Lien (the "Initial Lien") on any of its property or assets (including Capital Stock of any other Person), whether owned on the date of this Indenture or thereafter acquired, securing any Indebtedness, other than such Initial Lien if (a) the Notes and the Note Guarantees are equally and ratably secured with (or on a senior basis to, in the case such Initial Lien secures any Subordinated Obligations) the Obligations secured by such Initial Lien or (b) such Initial Lien is a Permitted Lien.

Any such Lien thereby created in favor of the Notes or any such Note Guarantee will be automatically and unconditionally released and discharged upon (i) the release and discharge of the Initial Lien to which it relates, (ii) in the case of any such Lien in favor of any such Note Guarantee, upon the termination and discharge of such Note Guarantee in accordance with the terms of Section 1303 or (iii) any sale, exchange or transfer (other than a transfer constituting a transfer of all or substantially all of the assets of the Company that is governed by Section 501) to any Person not an Affiliate of the Company of the property or assets secured by such Initial Lien, or of all of the Capital Stock held by the Company or any Restricted Subsidiary in, or all or substantially all the assets of, any Restricted Subsidiary creating such Initial Lien.

Section 414. Future Guarantors. If at any time any existing or future Wholly Owned Domestic Restricted Subsidiary of the Company (other than any Excluded Subsidiary) Incurs, or enters into definitive and operative documentation pursuant to which committed financing is available with respect to

(whether or not such financing is drawn), any Material Indebtedness measured individually (including any newly-acquired Restricted Subsidiary of the Company that has Incurred such Indebtedness for borrowed money or entered into such documentation at the time of acquisition) other than (1) Indebtedness in connection with Qualified Receivables Transactions or Third-Party Vendor Financing Programs or (2) intercompany Indebtedness, then such Restricted Subsidiary shall, within 30 days from Incurring such Indebtedness, from entering into such documentation or after such acquisition, as applicable, become a Guarantor of the Notes, execute a Guarantor Supplemental Indenture and deliver an Officer's Certificate and opinion of counsel.

Section 415. Purchase of Notes Upon a Change of Control. (a) If a Change of Control Triggering Event occurs, unless the Company has exercised its right to redeem the Notes pursuant to Article X, Noteholders will have the right to require the Company to repurchase all or any part in an integral multiple of \$1,000 of such Noteholder's Notes (provided that no Note will be purchased in part if the remaining principal amount of such Note would be less than \$2,000) pursuant to the offer described below (the "Change of Control Offer") on the terms set forth in this Indenture. In the Change of Control Offer, the Company will be required to offer payment in cash equal to 101% of the aggregate principal amount of Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased, to but excluding the date of purchase (the "Change of Control Payment"). Within 30 days following any Change of Control Triggering Event, or, at the Company's option, prior to any Change of Control, but after the public announcement of the transaction or transactions that constitute or may constitute a Change of Control Triggering Event, the Company will be required to send a notice to Noteholders describing the transaction or transactions that constitute or may constitute the Change of Control Triggering Event and offering to repurchase the Notes on the date specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is delivered (the "Change of Control Payment Date"), pursuant to the procedures required by this Indenture and described in such notice. The notice shall, if sent prior to the date of consummation of the Change of Control, state that the offer to purchase is conditioned on the Change of Control Triggering Event occurring on or prior to the payment date specified in the notice. The Company must comply with the requirements of Rule 14e-1 of the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with this Section 415, the Company will be required to comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 415 by virtue of such conflicts.

(b) On the Change of Control Payment Date, the Company will be required, to the extent lawful, to (i) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer; (ii) deposit with the paying agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and (iii) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased.

(c) The Company will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

(d) The Company will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Section 415. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 415, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 415 by virtue thereof.

(e) A Change of Control Offer may be made in advance of a Change of Control Triggering Event, conditional upon such Change of Control Triggering Event, if a definitive agreement that if fully performed would result in a Change of Control Triggering Event is in effect at the time of making of the Change of Control Offer.

(f) If Holders of not less than 90% of the aggregate principal amount of the Outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Company, or any other Person making such Change of Control Offer, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Company will have the right, upon notice given not more than 30 days following such purchase pursuant to such Change of Control Offer, to redeem all of the Notes that remain outstanding following such purchase at a price in cash equal to 101% of the aggregate principal amount of Notes repurchased, plus accrued and unpaid interest, if any, to but excluding the Redemption Date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date falling prior to or on the Redemption Date).

Section 416. Suspension of Covenants on Achievement of Investment Grade Ratings. (a) If on any day following the Issue Date (a) the Notes have Investment Grade Ratings from at least two Rating Agencies, and (b) no Default or Event of Default has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (a) and (b) being collectively referred to as a “Covenant Suspension Event”), then, beginning on that day (the “Suspension Date”) subject to the provisions of Section 416(b), the covenants listed under Section 407, Section 409, Section 410, Section 411, Section 412, Section 414, Section 501(a)(iii) and Section 501(a)(iv) (collectively, the “Suspended Covenants”) will be suspended. During any period that the foregoing covenants have been suspended, the Board of Directors may not designate any of its Subsidiaries as Unrestricted Subsidiaries unless such designation would have complied with Section 409 as if Section 409 would have been in effect during such period.

(b) If on any subsequent date any of the relevant Rating Agencies downgrade the ratings assigned to the Notes below an Investment Grade Rating, the foregoing covenants will be reinstated as of and from the time at which the Company obtains actual knowledge of such rating decline (any such time, a “Reversion Time”). The period of time between the Suspension Date and the Reversion Time is referred to as the “Suspension Period.” Upon such reinstatement, all Indebtedness Incurred during the Suspension Period (or deemed Incurred in connection with a Limited Condition Transaction entered into during the Suspension Period) will be deemed to have been Incurred under the exception provided by Section 407(b)(iii). With respect to Restricted Payments made after any such reinstatement, the amount of Restricted Payments will be calculated as if Section 409 had been in effect prior to, but not during, the Suspension Period. For purposes of Section 411, upon the occurrence of the Reversion Time the amount of Net Available Cash not applied in accordance with such covenant will be deemed to be reset to zero. In addition, for purposes of Section 412, all agreements and arrangements entered into by the Company and any Restricted Subsidiary with an Affiliate of the Company during the Suspension Period prior to such Reversion Time will be deemed to have been entered into on or prior to the Issue Date, and for purposes of Section 410, all contracts entered into during the Suspension Period prior to such Reversion Time that contain any of the encumbrances or restrictions subject to such covenant will be deemed to have been existing on the Issue Date. The Note Guarantees of the Guarantors will be released during the Suspension Period. The Trustee shall not have any duty to (i) monitor the ratings of the Notes, (ii) determine whether a Suspension Period has occurred or ended or monitor for any Covenant Suspension Event or any Suspension Period or Reversion Time or determine the consequences thereof or (iii) notify Holders of any of the foregoing.

(c) During the Suspension Period, any reference in the definitions of “Permitted Liens” and “Unrestricted Subsidiary” to Section 407 or any provision thereof shall be construed as if such covenant were in effect during the Suspension Period.

Notwithstanding that the Suspended Covenants may be reinstated, no Default or Event of Default will be deemed to have occurred as a result of any actions taken by the Company or any Subsidiary (including for the avoidance of doubt any failure to comply with the Suspended Covenants) or other events that occurred during any Suspension Period (or upon termination of the Suspension Period or after that time arising out of events that occurred or actions taken during the Suspension Period) and the Company and any Subsidiary will be permitted, without causing a Default or Event of Default or breach of any kind under this Indenture, to honor, comply with or otherwise perform any contractual commitments or obligations entered into during a Suspension Period following a Reversion Time and to consummate the transactions contemplated thereby.

(d) The Company shall deliver promptly to the Trustee an Officer’s Certificate notifying it of the commencement of any Suspension Date or the end of any Reversion Time; provided that the failure to so notify the Trustee shall not invalidate the occurrence of any Suspension Date or Reversion Time and shall not constitute a Default or Event of Default by the Company. The Trustee shall have no independent obligation to determine if a Suspension Period or Reversion Time has commenced or terminated or to notify Holders regarding the same.

ARTICLE V

SUCCESSORS

Section 501. When the Company May Merge, Etc. (a) The Company will not consolidate with or merge with or into, or convey, lease or otherwise transfer all or substantially all its assets to, any Person, unless:

(i) the resulting, surviving or transferee Person (the “Successor Company”) will be a Person organized and existing under the laws of the United States of America, any State thereof or the District of Columbia and the Successor Company (if not the Company) will expressly assume all the obligations of the Company under the Notes and this Indenture by executing and delivering to the Trustee an Officer’s Certificate and a supplemental indenture or one or more other documents or instruments in form reasonably satisfactory to the Trustee;

(ii) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Company or any Restricted Subsidiary as a result of such transaction as having been Incurred by the Successor Company or such Restricted Subsidiary at the time of such transaction), no Default or Event of Default will have occurred and be continuing;

(iii) immediately after giving effect to such transaction, either (A) the Company (or, if applicable, the Successor Company with respect thereto) could Incur at least \$1.00 of additional Indebtedness pursuant to Section 407(a) or (B) the Consolidated Coverage Ratio of the Company (or, if applicable, the Successor Company with respect thereto) would equal or exceed the Consolidated Coverage Ratio of the Company immediately prior to giving effect to such transaction;

(iv) each Guarantor (other than (x) any Guarantor that will be released from its obligations under its Note Guarantee in connection with such transaction and (y) any party to any such consolidation or merger) shall have delivered a supplemental indenture or other document or instrument confirming its Note Guarantee (other than any Note Guarantee that will be discharged or terminated in connection with such transaction); and

(v) the Company will have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each to the effect that such consolidation, merger or transfer complies with the provisions described in this Section 501(a); provided that (x) in giving such opinion such counsel may rely on an Officer's Certificate as to compliance with the foregoing clauses (ii) and (iii) and as to any matters of fact, and (y) no Opinion of Counsel will be required for a consolidation, merger or transfer described in Section 501(b).

Any Indebtedness that becomes an obligation of the Company (or, if applicable, the Successor Company with respect thereto) or any Restricted Subsidiary (or that is deemed to be Incurred by any Restricted Subsidiary that becomes a Restricted Subsidiary) as a result of any such transaction undertaken in compliance with this Section 501, and any Refinancing Indebtedness with respect thereto, shall be deemed to have been Incurred in compliance with Section 407.

(b) Clauses (ii) and (iii) of Section 501(a) will not apply to any transaction in which the Company consolidates or merges with or into or transfers all or substantially all its properties and assets to (x) an Affiliate incorporated or organized for the purpose of reincorporating or reorganizing the Company in another jurisdiction or changing its legal structure to a corporation, limited liability company or other entity or (y) a Restricted Subsidiary of the Company so long as all assets of the Company and the Restricted Subsidiaries immediately prior to such transaction (other than Capital Stock of such Restricted Subsidiary) are owned by such Restricted Subsidiary and its Restricted Subsidiaries immediately after the consummation thereof. Section 501(a) will not apply to any transaction in which any Restricted Subsidiary consolidates with, merges into or transfers all or part of its assets to the Company.

Section 502. Successor Company Substituted. Upon any transaction involving the Company in accordance with Section 501 in which the Company is not the Successor Company, the Successor Company will succeed to, and be substituted for, and may exercise every right and power of, the Company under the Note Documents, and thereafter the predecessor Company shall be relieved of all obligations and covenants under the Note Documents, except that the predecessor Company in the case of a lease of all or substantially all its assets will not be released from the obligation to pay the principal of and interest on the Notes.

ARTICLE VI

REMEDIES

Section 601. Events of Default. An "Event of Default" means the occurrence of the following:

- (i) a default in any payment of interest on any Note when due, continued for a period of 30 consecutive days;
- (ii) a default in the payment of principal of any Note when due, whether at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration of acceleration or otherwise;
- (iii) the failure by the Company to comply with its obligations under Sections 501(a);

(iv) the failure by the Company to comply for 30 consecutive days after the notice specified in the penultimate paragraph of this Section 601 with any of its obligations under Section 415 (other than a failure to purchase the Notes);

(v) the failure by the Company to comply for (x) 120 consecutive days after the notice specified in the penultimate paragraph of this Section 601 with any of its obligations under Section 405 or (y) 60 consecutive days after the notice specified in the penultimate paragraph of this Section 601 with its other agreements contained in a Note Document;

(vi) the failure by any Guarantor to comply for 60 consecutive days after the notice specified in the penultimate paragraph of this Section 601 with its obligations under its Note Guarantee;

(vii) the failure by the Company or any Restricted Subsidiary that is a Significant Subsidiary to pay any Indebtedness for borrowed money (other than Indebtedness owed to the Company or any Restricted Subsidiary) within any applicable grace period after final maturity or the acceleration of any such Indebtedness by the holders thereof because of a default, if the total amount of such Indebtedness so unpaid or accelerated exceeds the greater of (x) \$150.0 million and (y) 15.0% of LTM EBITDA, or, in each case, its foreign currency equivalent; provided that no Default or Event of Default will be deemed to occur with respect to any such Indebtedness that is paid or otherwise acquired or retired (or for which such failure to pay or acceleration is waived or rescinded) within 20 Business Days after such failure to pay or such acceleration;

(viii) the taking of any of the following actions by the Company or a Significant Subsidiary, pursuant to or within the meaning of any Bankruptcy Law:

(A) the commencement of a voluntary case;

(B) the consent to the entry of an order for relief against it in an involuntary case;

(C) the consent to the appointment of a Custodian of it or for any substantial part of its property; or

(D) the making of a general assignment for the benefit of its creditors;

(ix) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against the Company or any Significant Subsidiary in an involuntary case;

(B) appoints a Custodian of the Company or any Significant Subsidiary or for any substantial part of its property; or

(C) orders the winding up or liquidation of the Company or any Significant Subsidiary;

and the order or decree remains unstayed and in effect for 60 days;

(x) the rendering of any final non-appealable judgment or decree for the payment of money in an amount (net of any insurance or indemnity payments in respect thereof) in excess of the greater of (x) \$150.0 million and (y) 15.0% of LTM EBITDA, or, in each case, its foreign currency equivalent against the Company or a Significant Subsidiary that is not discharged, or bonded or insured by a third Person, if such judgment or decree remains outstanding for a period of 90 days following such judgment or decree and is not discharged, waived or stayed; or

(xi) the failure of any Note Guarantee by a Guarantor that is a Significant Subsidiary, or any group of Guarantors that, taken together (as of the date of the latest audited consolidated financial statements of the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary, to be in full force and effect (except as contemplated by the terms thereof or of this Indenture) or the denial or disaffirmation in writing by any Guarantor that is a Significant Subsidiary or any group of Guarantors that, taken together (as of the date of the latest audited consolidated financial statements of the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary of its or their obligations under this Indenture or any Note Guarantee (other than by reason of the termination of this Indenture or such Note Guarantee or the release of such Note Guarantee in accordance with such Note Guarantee or this Indenture), if such Default continues for 10 consecutive days.

The foregoing will constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

The term "Bankruptcy Law" means Title 11, United States Code, or any similar Federal, state or foreign law for the relief of debtors. The term "Custodian" means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Law.

However, a Default under Section 601(iv), Section 601(y) or Section 601(vi) will not constitute an Event of Default until the Trustee or the Holders of at least 30.0% in principal amount of the Outstanding Notes notify the Company in writing of the Default and the Company does not cure such Default within 30 consecutive days after receipt of such notice. Such notice must specify the Default, demand that it be remedied and state that such notice is a "Notice of Default." When a Default or an Event of Default is cured, it ceases. Notwithstanding anything to the contrary set forth above, a notice of Default may not be given with respect to any action taken, and reported publicly or to Holders, more than two years prior to such notice of Default.

The Company shall deliver to the Trustee, within 30 days after knowledge by an officer of the Company, written notice in the form of an Officer's Certificate of any Event of Default that under Section 601(vii) or Section 601(x), its status and what action the Company is taking or proposes to take with respect thereto.

Section 602. Acceleration of Maturity; Rescission and Annulment. If an Event of Default (other than an Event of Default specified in Section 601(viii) or Section 601(ix) with respect to the Company) occurs and is continuing, the Trustee by written notice to the Company, or the Holders of at least 30.0% in principal amount of the Outstanding Notes by written notice to the Company and the Trustee, in either case specifying in such notice the respective Event of Default and that such notice is a "notice of acceleration," may declare the principal of and accrued but unpaid interest on all the Notes to be due and payable. Upon the effectiveness of such a declaration, such principal and interest will be due and payable immediately.

Notwithstanding the foregoing, if an Event of Default specified in Section 601(viii) or Section 601(ix) with respect to the Company occurs and is continuing, the principal of and accrued but unpaid interest on all the Outstanding Notes will *ipso facto* become immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

The Holders of a majority in principal amount of the Outstanding Notes by notice to the Company and the Trustee may rescind an acceleration and its consequences if (i) the rescission would not conflict with any judgment or decree, (ii) if all existing Events of Default have been cured or waived except non-payment of principal or interest that has become due solely because of such acceleration, and (iii) the Trustee has been paid all amounts due to it under this Indenture. No such rescission shall affect any subsequent Default or impair any right consequent thereto.

Section 603. Other Remedies; Collection Suit by Trustee. If an Event of Default occurs and is continuing, the Trustee may, but is not obligated under this Section 603 to, pursue any available remedy to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture. If an Event of Default specified in Section 601(i) or 601(ii) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 707.

Section 604. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Holders allowed in any judicial proceedings relative to the Company or any other obligor upon the Notes, its creditors or its property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the compensation and reasonable expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 707.

No provision of this Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 605. Trustee May Enforce Claims Without Possession of Notes. All rights of action and claims under this Indenture or the Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Notes in respect of which such judgment has been recovered.

Section 606. Application of Money Collected. Any money or property collected by the Trustee pursuant to this Article VI shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money or property on account of principal (or premium, if

any) or interest, upon presentation of the Notes and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

First: to the payment of all amounts due the Trustee, the Paying Agent, and the Notes Registrar and any other agent appointed hereunder and any predecessor trustee, paying agent, notes registrar or agent under this Indenture, including, without limitation, under Section 707 hereof, and the reasonably incurred expenses and disbursements of their agents and counsel;

Second: to the payment in full of the Obligations in respect of the Notes (including the Note Guarantees) (the amounts so applied to be distributed among the holders of such Obligations pro rata in accordance with the amounts of the obligations owed to them on the date of such distribution); and

Third: to the Company or such other Guarantor, as applicable, their successors or assigns, or as a court of competent jurisdiction may otherwise direct.

Section 607. Limitation on Suits. No Holder may pursue any remedy with respect to this Indenture or the Notes unless:

- (i) such Holder has previously given the Trustee written notice that an Event of Default is continuing;
- (ii) Holders of at least 30.0% in principal amount of the Outstanding Notes have requested the Trustee in writing to pursue the remedy;
- (iii) such Holder or Holders have offered to the Trustee security and/or indemnity satisfactory to the Trustee against any loss, liability or expense;
- (iv) the Trustee has not complied with the request within 60 consecutive days after receipt of the request and the offer of security and/or indemnity; and
- (v) Holders of a majority in principal amount of the Outstanding Notes have not given the Trustee a written direction inconsistent with the request within such consecutive 60-day period.

A Holder may not use this Indenture to affect, disturb or prejudice the rights of another Holder, to obtain a preference or priority over another Holder or to enforce any right under this Indenture except in the manner herein provided and for the equal and ratable benefit of all Holders.

Section 608. [Reserved].

Section 609. Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture or any Note and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case the Company, any other obligor upon the Notes, the Trustee and the Holders shall, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 610. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every

other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 611. Delay or Omission Not Waiver. No delay or omission of the Trustee or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article VI or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 612. Control by Holders. The Holders of not less than a majority in aggregate principal amount of the Outstanding Notes shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee; provided that

- (1) such direction shall not be in conflict with any rule of law or with this Indenture, and
- (2) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or, subject to Section 701, that the Trustee determines is unduly prejudicial to the rights of any other Holder (it being understood that the Trustee does not have an affirmative duty to determine whether any direction is prejudicial to any Holder) or that would subject the Trustee to personal liability; provided, however, that the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction. Prior to taking any action under this Indenture, the Trustee shall be entitled to security and/or indemnification satisfactory to it in its sole discretion against all losses, liabilities and expenses caused by taking or not taking such action.

Section 613. Waiver of Past Defaults. The Holders of not less than a majority in aggregate principal amount of the Outstanding Notes may on behalf of the Holders of all the Notes waive any past Default hereunder and its consequences, except a Default

- (1) in the payment of principal of or interest on any Note (which may only be waived with the consent of each Holder of Notes), or
- (2) in respect of a covenant or provision hereof that pursuant to the second paragraph of Section 902 cannot be modified or amended without the consent of the Holder of each Outstanding Note.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon. In case of any such waiver, the Company, any other obligor upon the Notes, the Trustee and the Holders shall be restored to their former positions and rights hereunder and under the Notes, respectively.

Section 614. Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Note by such Holder's acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture or the Notes,

or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant. This Section 614 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10.0% in principal amount of the Outstanding Notes, or to any suit instituted by any Holder for the enforcement of the payment of principal of (or premium, if any) or interest on any Note on or after the respective Stated Maturity or Interest Payment Dates expressed in such Note.

Section 615. Waiver of Stay, Extension or Usury Laws. The Company agrees (to the extent that it may lawfully do so) that it shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury or other similar law wherever enacted, now or at any time hereafter in force, that would prohibit or forgive the Company from paying all or any portion of the principal of (or premium, if any) or interest on the Notes contemplated herein or in the Notes or that may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE VII

THE TRUSTEE

Section 701. Certain Duties and Responsibilities. (a) Except during the continuance of an Event of Default,

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of gross negligence or willful misconduct on its part (as determined in a final non-appealable decision by a court of competent jurisdiction), as determined in a final non-appealable decision by a court of competent jurisdiction, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions that by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture, but need not verify the contents thereof or confirm or investigate the accuracy of mathematical calculations or other facts, statements, opinions or conclusions stated therein.

(b) In case an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own grossly negligent action, its own grossly negligent failure to act, or its own willful misconduct, as determined in a final non-appealable decision by a court of competent jurisdiction, except that (i) this Section 701(c) does not limit the effect of Section 701(a); (ii) the Trustee shall not be liable for

any error of judgment made in good faith by a Trust Officer, unless it is proved that the Trustee was grossly negligent in ascertaining the pertinent facts (as determined in a final non-appealable decision by a court of competent jurisdiction); and (iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 612.

(d) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers.

(e) The Trustee will have no obligation to calculate or verify the calculation of the accrued and unpaid interest or any premium payable on the Notes or the amount of any redemption price payable on the Notes.

(f) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 701 and Section 703.

(g) The Trustee shall not be liable in respect of any payment (as to the correctness of amount, entitlement to receive or any other matters relating to payment) or notice effected by the Company or any Paying Agent or any records maintained by any Note Registrar with respect to the Notes.

(h) If any party fails to deliver a notice relating to an event the fact of which, pursuant this Indenture, requires notice to be sent to the Trustee, the Trustee may conclusively rely on its failure to receive such notice as reason to act as if no such event occurred.

(i) Under no circumstances shall the Trustee be liable in its individual capacity for the obligations evidenced by the Notes.

Section 702. Notice of Defaults. If a Default occurs and is continuing for which a Trust Officer responsible for the administration of this Indenture has received written notice, the Trustee must mail within 90 days after it occurs, to all Holders as their names and addresses appear in the Note Register, notice of such Default hereunder known to the Trustee unless such Default shall have been cured or waived; provided, however, that, except in the case of a Default in the payment of principal of, or premium, if any, or interest on, any Note, the Trustee may withhold notice if it in good faith determines that the withholding of such notice is in the interests of the Holders. The Trustee will not be deemed to have knowledge of any Defaults or Events of Default unless written notice of a Default or Event of Default has been delivered to and actually received by a Trust Officer at its corporate trust office specified in this Indenture and such notice references the Notes, the Company and this Indenture and states that it is a "Notice of Default."

Section 703. Certain Rights of Trustee. Subject to the provisions of Section 701:

(1) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, judgement, order, bond, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(2) any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order thereof, and any resolution of any Person's board of directors shall be sufficiently evidenced if certified by an Officer of such Person as having been duly adopted and being in full force and effect on the date of such certificate;

(3) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may request and, in the absence of bad faith on its part, rely upon an Officer's Certificate of the Company;

(4) the Trustee shall be entitled to request and receive written instructions from the Company and shall have no responsibility or liability for any losses or damages of any nature that may arise from any action taken or not taken by the Trustee in accordance with the written direction of the Company;

(5) the Trustee may consult with counsel and other professional advisors of its own choosing and require an Opinion of Counsel (at the expense of the Company and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon, and the Trustee shall not be responsible for the content of any such Opinion of Counsel in connection with this Indenture, whether delivered to it or on its behalf;

(6) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security and/or indemnity satisfactory to it against the losses, costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(7) the Trustee shall not be responsible for nor have any duty to monitor the performance or any action of the Company or any other party to this Indenture, and/or any of their directors, members, officers, agents, affiliates or employee, nor shall it have any liability in connection with the malfeasance or nonfeasance by such party;

(8) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney at the sole cost and expense of the Company and shall incur no liability of any kind by reason of such inquiry or investigation;

(9) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(10) to the extent permitted by applicable law, the Trustee shall not be liable to any Person for special, punitive, indirect, consequential or incidental loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action;

- (11) the permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as a duty unless so specified herein;
- (12) the Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture;
- (13) the Trustee shall not be bound to make any investigation as to the performance or observance of any of the covenants, agreements or other terms or conditions set forth in this Indenture;
- (14) the Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder;
- (15) the Holders shall not have the right to compel disclosure of information made available to the Trustee in connection with this Indenture, unless otherwise required by applicable law or the express terms of this Indenture;
- (16) the Trustee shall have the right to participate in defense of any claim against it;
- (17) the Trustee shall have no duty to make any documents available to the Holders, provided that the Trustee shall provide a copy of this Indenture to a Holder upon proof that such Person is a Holder;
- (18) the Trustee may request that the Company deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded;
- (19) with respect to payments due with respect to the Notes, the Trustee (in its capacity as Trustee or as Paying Agent) shall only be obligated to pay amounts which it has actually received;
- (20) the Trustee shall be entitled to take any action or to refuse to take any action which the Trustee regards as necessary for the Trustee to comply with any applicable law;
- (21) before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel prepared and delivered at the cost of the Company conforming to Section 106 and the Trustee may rely conclusively on such certificate or opinion and will not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel;
- (22) the Trustee may request that the Company deliver Officer's Certificates setting forth the names of individuals and their titles and specimen signatures of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificates may be signed by any Person authorized to sign an Officer's Certificate, as the case may be, including any Person specified as so authorized in any such certificate previously delivered and not superseded;
- (23) the rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be compensated, reimbursed and indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder; and

(24) upon request from the Trustee the Company shall provide information available to it that is reasonably necessary in order to enable the Trustee to determine whether any withholding obligations under Section 1471-1474 of the Code ("FATCA") or applicable law apply. The Trustee shall be entitled to make any withholding or deductions from payments to the extent necessary to comply with FATCA or applicable law and neither the Trustee nor the Company shall have any liability in connection with its compliance therewith.

Section 704. Not Responsible for Recitals or Issuance of Notes. The recitals contained herein and in the Notes, except the Trustee's certificates of authentication, shall be taken as the statements of the Company, and neither the Trustee nor any Authenticating Agent assumes any responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Notes, except that the Trustee represents that it is duly authorized to execute and deliver this Indenture, authenticate the Notes and perform its obligations hereunder. Neither the Trustee nor any Authenticating Agent shall be accountable for the use or application by the Company of Notes or the proceeds thereof.

Section 705. May Hold Notes. The Trustee, any Authenticating Agent, any Paying Agent, any Note Registrar or any other agent of the Company, in its individual or any other capacity, may become the owner or pledgee of Notes and, subject to Section 708 and Section 713, may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee, Authenticating Agent, Paying Agent, Note Registrar or such other agent.

Section 706. Money Held in Trust. Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed in writing with the Company.

Section 707. Compensation and Reimbursement. The Company and Guarantors, jointly and severally, agree,

(1) to pay to the Trustee from time to time the compensation agreed to by the Company in writing for all services rendered by the Trustee hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(2) except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable out-of-pocket expenses incurred by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its gross negligence or willful misconduct, as determined in a final non-appealable decision by a court of competent jurisdiction; and

(3) to indemnify the Trustee for, and to hold it harmless against, any loss, liability or expense incurred without gross negligence or willful misconduct on the Trustee's part, as determined in a final non-appealable decision by a court of competent jurisdiction, arising out of or in connection with the administration of the trust or trusts hereunder, including, without limitation, reasonable attorneys' fees and expenses, the costs of enforcement of this Indenture or any provision thereof and the costs and expenses of defending itself against any claim (whether asserted by the Company, or any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, or in connection with enforcing the provisions of this Section 707.

The Company need not pay for any settlement made without its consent (which consent shall not be unreasonably withheld, conditioned or delayed). The provisions of this Section 707 shall survive the termination of this Indenture or the resignation and removal of the Trustee.

The Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, other than money or property held in trust to pay the principal of and interest on any Notes, to secure payment of all amounts due the Trustee under this Section 707.

Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee and its agents and any authenticating agent incur expenses or render services after an Event of Default occurs, the expenses (including the reasonable charges and expenses of its counsel) and the compensation for the services are intended to constitute expenses of administration under any applicable federal or state bankruptcy, insolvency or other similar laws.

The indemnification provided in this Section 707 shall extend to the officers, directors, agents, employees, successors and assigns of the Trustee. The indemnity under this Section 707 is payable upon demand by the Trustee. Subject to Section 701 hereof, any negligence or misconduct of any agent, delegate, attorney or representative, in each case, of the Trustee shall not affect the indemnification of the Trustee hereunder.

Section 708. Conflicting Interests. The Trustee shall not be deemed to have a conflicting interest by virtue of being a trustee under this Indenture with respect to Initial Notes and Additional Notes, or a trustee under any other indenture between the Company and the Trustee.

Section 709. Corporate Trustee Required; Eligibility. There shall at all times be one (and only one) Trustee hereunder. The Trustee shall be a Person that is eligible pursuant to the TIA to act as such and has a combined capital and surplus of at least \$50.0 million. If any such Person publishes reports of condition at least annually, pursuant to law or to the requirements of its supervising or examining authority, then for the purposes of this Section 709 and to the extent permitted by the TIA, the combined capital and surplus of such Person shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 709, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VII.

Section 710. Resignation and Removal; Appointment of Successor. No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article VII shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 711.

The Trustee may resign at any time by giving written notice thereof to the Company. If the instrument of acceptance by a successor Trustee required by Section 711 shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may, at the expense of the Company, petition any court of competent jurisdiction for the appointment of a successor Trustee.

The Trustee may be removed at any time, upon 30 days prior written notice, by Act of the Holders of a majority in principal amount of the Outstanding Notes delivered to the Trustee and to the Company.

If at any time:

(1) the Trustee shall fail to comply with Section 708 after written request therefor by the Company or by any Holder who has been a bona fide Holder of a Note for at least six months, or

(2) the Trustee shall cease to be eligible under Section 709 and shall fail to resign after written request therefor by the Company or by any such Holder, or

(3) the Trustee shall become incapable of acting or shall be adjudged bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (A) the Company, upon 30 days prior written notice, may remove the Trustee, or (B) subject to Section 614, any Holder who has been a bona fide Holder of a Note for at least six months may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, the Company shall promptly appoint a successor Trustee and shall comply with the applicable requirements of Section 711. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Notes delivered to the Company and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment in accordance with the applicable requirements of Section 711, become the successor Trustee and to that extent supersede the successor Trustee appointed by the Company. If no successor Trustee shall have been so appointed by the Company or the Holders and accepted appointment in the manner required by Section 711, then, subject to Section 614, any Holder who has been a bona fide Holder of a Note for at least six months may, on behalf of itself and all others similarly situated and at the expense of the Company, petition any court of competent jurisdiction for the appointment of a successor Trustee.

The Company shall give notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee to all Holders in the manner provided in Section 110. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office.

Notwithstanding the replacement of the Trustee pursuant to this Section 710, the Company's obligations under Section 707 shall continue for the benefit of the retiring Trustee.

Section 711. Acceptance of Appointment by Successor. In case of the appointment hereunder of a successor Trustee, every such successor Trustee so appointed shall execute, acknowledge and deliver to the Company and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on the request of the Company or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder.

Upon request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts referred to above.

No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article VII.

Section 712. Merger, Conversion, Consolidation or Succession to Business. Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder; provided such corporation shall be otherwise qualified and eligible under this Article VII, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Notes shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

Section 713. Preferential Collection of Claims Against the Company. If and when the Trustee shall be or become a creditor of the Company (or any other obligor upon the Notes), the Trustee shall be subject to the provisions of the TIA regarding the collection of claims against the Company (or any such other obligor) or realizing on certain property received by it in respect of such claims.

Section 714. Appointment of Authenticating Agent. The Trustee may appoint an Authenticating Agent acceptable to the Company to authenticate such Notes. Any such appointment shall be evidenced by an instrument in writing signed by a Trust Officer, a copy of which instrument shall be promptly furnished to the Company. Unless limited by the terms of such appointment, an Authenticating Agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication (or execution of a certificate of authentication) by the Trustee includes authentication (or execution of a certificate of authentication) by such Authenticating Agent. An Authenticating Agent has the same rights as any Note Registrar, Paying Agent or agent for service of notices and demands.

ARTICLE VIII

HOLDERS' LISTS AND REPORTS BY TRUSTEE AND THE COMPANY

Section 801. The Company to Furnish Trustee Names and Addresses of Holders. The Company will furnish or cause to be furnished to the Trustee:

(1) semi-annually, not more than 10 days after each Regular Record Date, a list, in such form as the Trustee may reasonably require, of the names and addresses of the Holders as of such Regular Record Date, and

(2) at such other times as the Trustee may request in writing, within 30 days after the receipt by the Company of any such request, a list of similar form and content as of a date not more than 15 days prior to the time such list is furnished;

provided, however, that if and to the extent and so long as the Trustee shall be the Note Registrar, no such list need be furnished pursuant to this Section 801.

Section 802. Preservation of Information; Communications to Holders. The Trustee shall preserve, in as current a form as is reasonably practicable, the names and addresses of Holders contained in the most recent list, if any, furnished to the Trustee as provided in Section 801 and the names and addresses of Holders received by the Trustee in its capacity as Note Registrar; provided, however, that

if and so long as the Trustee shall be the Note Registrar, the Note Register shall satisfy the requirements relating to such list. None of the Company, any Guarantor or the Trustee or any other Person shall be under any responsibility with regard to the accuracy of such list. The Trustee may dispose of any list furnished to it as provided in Section 801 upon receipt of a new list so furnished.

The rights of Holders to communicate with other Holders with respect to their rights under this Indenture or under the Notes, and the corresponding rights and privileges of the Trustee, shall be as provided by the TIA.

Every Holder of Notes, by receiving and holding the same, agrees with the Company and the Trustee that neither the Company, nor the Trustee, nor any agent of any of them, shall be held accountable by reason of any disclosure of information as to names and addresses of Holders made pursuant to the TIA.

Section 803. Reports by Trustee. Within 60 days after each June 1, beginning with June 1, 2021, the Trustee shall transmit to Holders such reports concerning the Trustee and its actions under this Indenture as may be required pursuant to the TIA at the times and in the manner provided pursuant thereto for so long as any Notes remain outstanding. A copy of each such report shall, at the time of such transmission to Holders, be filed by the Trustee or any applicable listing agent with each stock exchange upon which any Notes are listed, with the SEC and with the Company. The Company shall notify the Trustee in writing when any Notes are listed on any stock exchange, but any failure to so notify the Trustee shall not constitute a Default or Event of Default by Company.

ARTICLE IX

AMENDMENT, SUPPLEMENT OR WAIVER

Section 901. Without Consent of Holders. Without the consent of any Holder, the Company, the Trustee and, as applicable, any Guarantor may amend or supplement the Note Documents for any of the following purposes:

- (1) to cure any ambiguity, mistake, omission, defect or inconsistency;
- (2) to provide for the assumption by a successor of the obligations of the Company or a Guarantor under any Note Document (and to make appropriate conforming changes to the Note Documents in connection therewith);
- (3) to provide for uncertificated Notes in addition to or in place of certificated Notes;
- (4) to add Note Guarantees with respect to the Notes (including allowing any Guarantor to execute a Guarantor Supplemental Indenture or Note Guarantee);
- (5) to mortgage, pledge, hypothecate or grant any Lien in favor of the Trustee and the Holders, as security for the payment and performance of all or any portion of the Obligations in respect of the Notes and the Note Guarantees, in any property or assets, including any which are required to be mortgaged, pledged or hypothecated, or in which a Lien is required to be granted to or for the benefit of the Trustee pursuant to this Indenture;
- (6) to evidence a successor Trustee;

(7) to confirm and evidence the release, termination or discharge of any Note Guarantee when such release, termination or discharge is provided for under this Indenture or the Notes;

(8) to add to the covenants of the Company for the benefit of the Holders or to surrender any right or power conferred upon the Company or any Guarantor;

(9) to provide for or confirm the issuance of Additional Notes in compliance with this Indenture;

(10) to conform the text of the Note Documents to any provision of the "Description of the Notes" section of the Offering Memorandum;

(11) to make any change that does not materially adversely affect the rights of any Holder; or

(12) to comply with any requirement of the SEC in connection with any qualification of this Indenture under the TIA or otherwise.

Section 902. With Consent of Holders. Except as otherwise expressly provided below in this Section 902, the Company, the Trustee and (as applicable) any Guarantor may amend or supplement the Note Documents with the written consent of the Holders of not less than a majority in aggregate principal amount of the Outstanding Notes (including consents obtained in connection with a tender offer or exchange offer for Notes) and the Holders of not less than a majority in aggregate principal amount of the Outstanding Notes by written notice to the Trustee (including consents obtained in connection with a tender offer or exchange offer for, or purchase of, Notes or an issuance of Additional Notes) may waive any existing Default or Event of Default or compliance by the Company or any Guarantor with any provision of this Indenture, the Notes or any Note Guarantee.

Notwithstanding the provisions of this Section 902 to the contrary, without the consent of each Holder of Outstanding Notes affected (including consents obtained in connection with a tender offer or exchange offer for, or purchase of, Notes or an issuance of Additional Notes), an amendment, supplement or waiver, including a waiver pursuant to Section 613, may not (with respect to any Note held by any non-consenting Holder):

(i) reduce the principal amount of any Notes whose Holders must consent to an amendment, supplement or waiver;

(ii) reduce the rate of or extend the time for payment of interest on any Note;

(iii) reduce the principal of or extend the Stated Maturity of any Note;

(iv) reduce the premium payable upon the redemption of any Note or change the date on which any Note may be redeemed as described in Section 1009;

(v) make any Note payable in money other than that stated in such Note;

(vi) amend or waive the legal right of any Holder to receive payment of principal of and interest on such Holder's Note on or after the Stated Maturity for the principal or Interest Payment Date for the interest expressed in such Note, or to institute suit for the enforcement of any such payment on or after the Stated Maturity or Interest Payment Date;

(vii) make any change in the amendment or waiver provisions described in this paragraph; or

(viii) make any change or modification to the ranking of any Note that would adversely affect the rights of a Holder in any material respect.

It shall not be necessary for the consent of the Holders under this Section 902 to approve the particular form of any proposed amendment, supplement or waiver, but it shall be sufficient if such consent approves the substance thereof.

Section 903. Execution of Amendments, Supplements or Waivers. After an amendment, supplement or waiver under this Section 903 becomes effective, the Company shall deliver to the Holders, with a copy to the Trustee, a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any supplemental indenture or the effectiveness of any such amendment, supplement or waiver. The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article IX if the amendment, supplement or waiver does not adversely affect the rights, duties, liabilities, indemnities or immunities of the Trustee. If it does, the Trustee may, but need not, sign it. In signing or refusing to sign such amendment, supplement or waiver, the Trustee shall be entitled to receive, and shall be fully protected in relying upon, an Officer's Certificate and an Opinion of Counsel to the effect that the execution of such amendment, supplement or waiver is authorized or permitted or complies with this Indenture, that all conditions precedent to such amendment, supplement or waiver required by this Indenture have been complied with and that such amendment, supplement or waiver is a valid and binding agreement of the Company, enforceable against the Company in accordance with its terms.

Section 904. Revocation and Effect of Consents. Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder of that Note or any Note that evidences all or any part of the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. Subject to the following paragraph of this Section 904, any such Holder or subsequent Holder may revoke the consent as to such Holder's Note by written notice to the Trustee or the Company, received by the Trustee or the Company, as the case may be, before the date on which the Trustee receives an Officer's Certificate from the Company certifying that the Holders of the requisite principal amount of Notes have consented (and not theretofore revoked such consent) to the amendment, supplement or waiver. The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement or waiver as set forth in Section 108.

After an amendment, supplement or waiver becomes effective, it shall bind every Holder of Notes.

Section 905. [Reserved].

Section 906. Notation on or Exchange of Notes. If an amendment, supplement or waiver changes the terms of a Note, the Trustee shall (if required by the Company and in accordance with the specific direction of the Company) request the Holder of the Note to deliver it to the Trustee. The Trustee shall (if required by the Company and in accordance with the specific written direction of the Company) place an appropriate notation on the Note about the changed terms and return it to the Holder. Alternatively, if the Company or the Trustee so determines, the Company in exchange for the Note shall issue and upon receipt of an Authentication Order, the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

ARTICLE X

REDEMPTION OF NOTES

Section 1001. Applicability of Article. The Notes are redeemable at the option of the Company, in whole or in part, before their Stated Maturity in accordance with this Article X.

Section 1002. [Reserved].

Section 1003. Election to Redeem; Notice to Trustee. In case of any redemption of less than all of the Notes, the Company shall, at least two Business Days (but not more than 60 days (except that such notice may be delivered more than 60 days prior to the Redemption Date if the Redemption Date is delayed as provided in Section 1009)), prior to the date on which notice is required to be delivered to Holders pursuant to Section 1005, notify the Trustee in writing of such Redemption Date and of the principal amount of Notes to be redeemed, but failure to so notify the Trustee shall not invalidate any notice given in accordance with Section 1005 and shall not constitute a Default or Event of Default by the Company.

Section 1004. Selection by Trustee of Notes to Be Redeemed. In the case of any partial redemption, selection of the Notes for redemption will be made by the Trustee on a *pro rata* basis, by lot or by such other method as the Trustee shall deem to be appropriate, and in the case of global notes, in accordance with the procedures of DTC, in integral multiples of \$1,000, although no Note of \$2,000 in original principal amount or less will be redeemed in part.

The Trustee shall promptly notify the Company in writing of the Notes selected for redemption and, in the case of any Note selected for partial redemption, the principal amount thereof to be redeemed. On and after the Redemption Date, interest will cease to accrue on Notes or portions thereof called for redemption.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Notes shall relate, in the case of the Notes redeemed or to be redeemed only in part, to the portion of the principal amount of the Notes that has been or is to be redeemed.

Section 1005. Notice of Redemption. Subject to the third paragraph of Section 110, notice of redemption or purchase as provided in Section 1001 shall be given electronically or, at the Company's option, by first-class mail, postage prepaid, mailed not less than 10 nor more than 60 days prior to the Redemption Date (except that such notice may be delivered more than 60 days prior to the Redemption Date if such notice is issued in connection with the legal or covenant defeasance of Notes pursuant to Section 1201 or a satisfaction and discharge of this Indenture and the Notes pursuant to Section 1101, or if the Redemption Date is delayed as provided in Section 1009), to each Holder of Notes to be redeemed, at such Holder's address appearing in the Note Register.

Any such notice shall state:

- (1) the expected Redemption Date,
- (2) the redemption price (or the formula by which the redemption price will be determined),

(3) if less than all Outstanding Notes are to be redeemed, the identification (and, in the case of partial redemption, the portion of the respective principal amounts) of the Notes to be redeemed,

(4) that, on the Redemption Date, the redemption price will become due and payable upon each such Note, and that, unless the Company defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest thereon shall cease to accrue from and after said date, and

(5) the place where such Notes are to be surrendered for payment of the redemption price.

In addition, if such redemption, purchase or notice is subject to satisfaction (or, waiver by the Company in its sole discretion) of one or more conditions precedent, as permitted by Section 1009, such notice shall describe each such condition, and if applicable, shall state that, in the Company's discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion), or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been (or, in the Company's sole determination, may not be) satisfied (or waived by the Company in its sole discretion) by the Redemption Date, or by the Redemption Date as so delayed.

The Company may provide in such notice that payment of the redemption price and the performance of the Company's obligations with respect to such redemption may be performed by another Person.

Notice of any redemption or purchase of Notes hereunder (or the selection of Notes in connection with a partial redemption) to be so redeemed or purchased at the election of the Company shall be given by the Company or, at the Company's request (made to the Trustee at least 15 days (or such shorter period as shall be reasonably satisfactory to the Trustee) prior to the Redemption Date), by the Trustee in the name and at the expense of the Company. Any such request will set forth the information to be stated in such notice, as provided by this Section 1005.

The notice if delivered in the manner herein provided shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to give such notice by mail or any defect in the notice to the Holder of any Note designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other Note.

Section 1006. Deposit of Redemption Price. On or prior to 11:00 a.m., New York City time, on the Business Day prior to any Redemption Date, the Company shall deposit with the Trustee or with a Paying Agent (or, if the Company is acting as its own Paying Agent, the Company shall segregate and hold in trust as provided in Section 403) an amount of money sufficient to pay the redemption price of, and any accrued and unpaid interest on, all the Notes or portions thereof which are to be redeemed on that date; provided, that, funds deposited with the Trustee or such Paying Agent after 11:00 a.m., New York City time, on such due date shall be deemed deposited with the Trustee or such Paying Agent on the next Business Day thereafter.

Section 1007. Notes Payable on Redemption Date. Notice of redemption having been given as provided in this Article X, the Notes so to be redeemed shall (subject to the satisfaction or waiver by the Company of any applicable conditions precedent), on the Redemption Date, become due and payable at the redemption price herein specified and from and after such date (unless the Company shall default in the payment of the redemption price or the Paying Agent is prohibited from paying the redemption price

pursuant to the terms of this Indenture) such Notes shall cease to bear interest. Upon surrender of such Notes for redemption in accordance with such notice, such Notes shall be paid by the Company at the redemption price. Installments of interest whose Interest Payment Date is on or prior to the Redemption Date shall be payable to the Holders of such Notes registered as such on the relevant Regular Record Dates according to their terms and the provisions of [Section 307](#).

On and after any Redemption Date, if money sufficient to pay the redemption price of and any accrued and unpaid interest on Notes called for redemption shall have been made available in accordance with [Section 1006](#), the Notes (or the portions thereof) called for redemption will cease to accrue interest and the only right of the Holders of such Notes (or portions thereof) will be to receive payment of the redemption price of and, subject to the last sentence of the preceding paragraph, any accrued and unpaid interest on such Notes (or portions thereof) to the Redemption Date. If any Note (or portion thereof) called for redemption shall not be so paid upon surrender thereof for redemption, the principal (and premium, if any) shall, until paid, bear interest from the Redemption Date at the rate borne by the Note (or portion thereof).

[Section 1008. Notes Redeemed in Part.](#) Any Note that is to be redeemed only in part shall be surrendered at the Place of Payment (with due endorsement by, or a written instrument of transfer in form satisfactory to the Company duly executed by, the Holder thereof or its attorney duly authorized in writing) and the Company shall execute and (upon receipt of an Authentication Order) the Trustee shall authenticate and deliver to the Holder of such Note without service charge, a new Note or Notes, of any authorized denomination as requested by such Holder in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Note so surrendered (or if the Note is a global note, an adjustment shall be made to the schedule attached thereto).

[Section 1009. Optional Redemption.](#)

At any time prior to November 30, 2026, the Company may, at its option and on one or more occasions, redeem the Notes, in whole or in part, upon notice as described in [Section 1005](#), at a redemption price equal to 100% of the principal amount of the Notes to be redeemed plus the Applicable Premium as of, and accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date, subject to the rights of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date falling on or prior to the Redemption Date.

On and after November 30, 2026, the Company may, at its option and on one or more occasions, redeem the Notes, in whole or in part, upon notice as described in [Section 1005](#) at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth below, plus accrued and unpaid interest thereon, if any, to, but excluding, the applicable Redemption Date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date falling on or prior to the Redemption Date, if redeemed during the 12-month period beginning on November 30 of each of the years indicated below:

<u>Year</u>	<u>Redemption price</u>
2026	104.438%
2027	102.219%
2028 and thereafter	100.000%

In addition, until November 30, 2026, the Company may, at its option on one or more occasions, upon notice as described in [Section 1005](#), redeem up to 40% of the aggregate principal amount of Notes (including Additional Notes) issued under this Indenture at a redemption price (as calculated by the Company) equal to (i) 108.875% of the aggregate principal amount thereof, in an aggregate amount not

exceeding the aggregate amount of one or more Equity Offerings to the extent the proceeds thereof are received by or contributed to the Company plus (ii) accrued and unpaid interest thereon, if any, to, but excluding, the applicable Redemption Date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date falling on or prior to the Redemption Date; provided that (a) at least 50% of the sum of the aggregate principal amount of Notes originally issued under this Indenture on the Issue Date and any Additional Notes issued under this Indenture after the Issue Date remains Outstanding immediately after the occurrence of each such redemption and (b) each such redemption occurs within 180 days of the date of closing of each such Equity Offering.

Notwithstanding the foregoing, in connection with any tender offer for any Notes, if Holders of not less than 90% in the aggregate principal amount of the Outstanding Notes validly tender and do not withdraw such Notes in such tender offer and the Company, or any other Person making such tender offer, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Company will have the right, upon notice given not more than 30 days following such purchase pursuant to such tender offer, to redeem all of the Notes that remain outstanding following such purchase at a price in cash equal to the price offered to each Holder in such tender offer, plus, to the extent not included in the tender offer payment, accrued and unpaid interest to but excluding the Redemption Date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date falling prior to or on the Redemption Date).

Any redemption of Notes may be made upon notice sent electronically or, at the Company's option, mailed by first-class mail to each Holder's registered address in accordance with Section 1005, and, if applicable, the Company should notify the Trustee in writing of such Redemption Date, and the principal amount of Notes to be redeemed in accordance with Section 1003. The Company may provide in any redemption notice that payment of the redemption price and the performance of the Company's obligations with respect to such redemption may be performed by another Person.

Any redemption of Notes (including in connection with an Equity Offering) or notice thereof may, at the Company's discretion, be subject to the satisfaction (or, waiver by the Company in its sole discretion) of one or more conditions precedent, which may include consummation of any related Equity Offering or the occurrence of a Change of Control. If such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice may state that, in the Company's discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been (or, in the Company's sole determination, may not be) satisfied (or waived by the Company in its sole discretion) by the Redemption Date, or by the Redemption Date so delayed.

ARTICLE XI

SATISFACTION AND DISCHARGE

Section 1101. Satisfaction and Discharge of Indenture. The Outstanding Notes and this Indenture shall be discharged and shall cease to be of further effect and the Note Guarantees will be released (except as to any surviving rights of registration of transfer or exchange of Notes herein expressly provided for), and the Trustee on demand of and at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of the Outstanding Notes and this Indenture, when

(i) either

(a) all Notes theretofore authenticated and delivered (other than (i) Notes that have been destroyed, lost or stolen and that have been replaced or paid as provided in Section 306, and (ii) Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 403) have been cancelled or delivered to the Trustee for cancellation; or

(b) all such Notes not theretofore cancelled or delivered to the Trustee for cancellation

(1) have become due and payable,

(2) will become due and payable at their Stated Maturity within one year, or

(3) have been called for redemption, or are to be called for redemption within one year under arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company;

(ii) the Company has irrevocably deposited or caused to be deposited with the Trustee money, U.S. Government Obligations or a combination thereof, sufficient (without reinvestment) to pay and discharge the entire Indebtedness on the Notes not previously cancelled or delivered to the Trustee for cancellation, for principal (and premium, if any) and interest to the date of such deposit (in the case of Notes that have become due and payable), or to the Stated Maturity or Redemption Date, as the case may be (provided that if such redemption shall be pursuant to the first paragraph of Section 1009, (x) the amount of money or U.S. Government Obligations, or a combination thereof, that the Company must irrevocably deposit or cause to be deposited shall be determined using an assumed Applicable Premium calculated as of the date of such deposit, as calculated by the Company in good faith, and (y) the Company must irrevocably deposit or cause to be deposited additional money in trust on the Redemption Date, as required by Section 1006, as necessary to pay the Applicable Premium as determined on such date);

(iii) the Company has paid or caused to be paid all other sums then payable hereunder by the Company; and

(iv) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel each to the effect that all conditions precedent provided for in this Section 1101 relating to the satisfaction and discharge of this Indenture have been complied with; provided that any such counsel may rely on any Officer's Certificate as to matters of fact (including as to compliance with the foregoing clauses (i), (ii) and (iii)).

Notwithstanding the satisfaction and discharge of this Indenture and the Outstanding Notes, (a) the obligations of the Company to the Trustee under Section 707 and, if money shall have been deposited with the Trustee pursuant to Section 1101(ii), the obligations of the Trustee under Section 1103 shall survive such satisfaction and discharge, and (b) if such satisfaction and discharge is effected through redemption in accordance with Section 1101(i)(b)(3), the provisions of Section 1007 shall survive such satisfaction and discharge, and the other provisions of Article X shall survive such satisfaction and discharge until the Redemption Date shall have occurred.

Section 1102. [Reserved]

Section 1103. Application of Trust Money. Subject to the provisions of the last paragraph of Section 403, all money and/or U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee pursuant to Section 1101 shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest on the Notes; but such money need not be segregated from other funds except to the extent required by law.

ARTICLE XII

DEFEASANCE OR COVENANT DEFEASANCE

Section 1201. The Company's Option to Effect Defeasance or Covenant Defeasance. The Company may, at its option, at any time, elect to have terminated the obligations of the Company with respect to Outstanding Notes and the other Note Documents and to have terminated all of the obligations of the Guarantors with respect to the Note Guarantees, in each case, as set forth in this Article XII, and elect to have either Section 1202 or 1203 be applied to all of the Outstanding Notes (the "Defeased Notes"), upon compliance with the conditions set forth below in Section 1204. Either Section 1202 or Section 1203 may be applied to the Defeased Notes to any Redemption Date or the Stated Maturity of the Notes.

Section 1202. Defeasance and Discharge. Upon the Company's exercise under Section 1201 of the option applicable to this Section 1202, the Company shall be deemed to have been released and discharged from its obligations with respect to the Defeased Notes and the Guarantors shall be deemed to have been released and discharged from their obligations with respect to the Note Guarantees on the date the relevant conditions set forth in Section 1204 are satisfied (hereinafter, "Defeasance"). For this purpose, such Defeasance means that the Company shall be deemed to have paid and discharged the entire Indebtedness represented by the Defeased Notes, which shall thereafter be deemed to be "Outstanding" only for the purposes of Section 1205 and the other Sections of this Indenture referred to in clauses (a) and (b) below, and the Company, and each of the Guarantors shall be deemed to have satisfied all other obligations under such Notes, Note Guarantees and this Indenture insofar as such Notes are concerned (and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following, which shall survive until otherwise terminated or discharged hereunder: (a) the rights of Holders of Defeased Notes to receive, solely from the trust fund described in Section 1204 and as more fully set forth in such Section, payments in respect of principal of and premium, if any, and interest on such Notes when such payments are due, (b) the Company's obligations with respect to such Defeased Notes under Sections 304, 305, 306, 402, and 403, (c) the rights, powers, trusts, duties and immunities of the Trustee hereunder, including the Trustee's rights (and the Company's obligations) under Section 707, and (d) this Article XII. If the Company exercises its option under this Section 1202, payment of the Notes may not be accelerated because of an Event of Default with respect thereto. Subject to compliance with this Article XII, the Company may, at its option and at any time, exercise its option under this Section 1202 notwithstanding the prior exercise of its option under Section 1203 with respect to the Notes.

Section 1203. Covenant Defeasance. Upon the Company's exercise under Section 1201 of the option applicable to this Section 1203, (a) the Company shall be released from its obligations under any covenant or provision contained in Section 405, Section 407, Section 409 through 415 and the provisions of clauses (iii), (iv) and (v) of Section 501(a) shall not apply, and (b) the occurrence of any event specified in clause (iv), (v) (with respect to Section 405, Section 407 and Sections 409 through 415, inclusive), (vi), (vii), (viii) (with respect to Significant Subsidiaries), (ix) (with respect to Significant Subsidiaries), (x) or (xi) of Section 601 shall be deemed not to be or result in an Event of Default, in each case with respect to the Defeased Notes on and after the date the conditions set forth below are satisfied

(hereinafter, “Covenant Defeasance”), and the Notes shall thereafter be deemed not to be “Outstanding” for the purposes of any direction, waiver, consent or declaration or Act of Holders (and the consequences of any thereof) in connection with such covenants or provisions, but shall continue to be deemed “Outstanding” for all other purposes hereunder. For this purpose, such Covenant Defeasance means that, with respect to the Outstanding Notes, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant or provision, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or provision or by reason of any reference in any such covenant or provision to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 601, but, except as specified above, the remainder of this Indenture and such Outstanding Notes shall be unaffected thereby.

Section 1204. Conditions to Defeasance or Covenant Defeasance. The following shall be the conditions to application of either Section 1202 or Section 1203 to the Outstanding Notes:

(1) The Company shall have irrevocably deposited or caused to be deposited with the Trustee, in trust, money or U.S. Government Obligations, or a combination thereof, in amounts as will be sufficient (without reinvestment), to pay and discharge the principal of, and premium, if any, and interest on the Defeased Notes issued by the Company to the Stated Maturity or relevant Redemption Date in accordance with the terms of this Indenture and the Notes (provided that if such redemption shall be pursuant to the third paragraph of Section 1009, (x) the amount of money or U.S. Government Obligations or a combination thereof that the Company must irrevocably deposit or cause to be deposited shall be determined using an assumed Applicable Premium calculated as of the date of such deposit, as calculated by the Company in good faith and (y) the Company must irrevocably deposit or cause to be deposited additional money in trust on the Redemption Date, as required by Section 1006, as necessary to pay the Applicable Premium as determined on such date);

(2) No Default or Event of Default shall have occurred and be continuing on the date of such deposit;

(3) Such deposit shall not result in a breach or violation of, or constitute a Default or Event of Default under, this Indenture or any other material agreement or instrument to which the Company is a party or by which it is bound;

(4) In the case of an election under Section 1202, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that (x) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (y) since the Issue Date, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such opinion shall confirm that, the beneficial owners of the Outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Defeasance had not occurred;

(5) In the case of an election under Section 1203, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the beneficial owners of the Outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred; and

(6) The Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each to the effect that all conditions precedent provided for in this Section 1204 relating to either the Defeasance under Section 1202 or the Covenant Defeasance under Section 1203, as the case may be, have been complied with. In rendering such Opinion of Counsel, counsel may rely on an Officer's Certificate as to compliance with the foregoing clauses (1), (2) and (3) of this Section 1204 or as to any matters of fact.

Section 1205. Deposited Money and U.S. Government Obligations to Be Held in Trust; Other Miscellaneous Provisions. Subject to the provisions of the last paragraph of Section 403, all money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee (or such other Person that would qualify to act as successor trustee under Article VII, collectively and solely for purposes of this Section 1205, the "Trustee") pursuant to Section 1204 in respect of the Defeased Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Company and the Guarantors, jointly and severally, shall pay and indemnify the Trustee and its agents and hold them harmless against any tax, fee or other charge imposed on or assessed against the U.S. Government Obligations deposited by the Company pursuant to Section 1204, or the principal, premium, if any, and interest received in respect thereof, other than any such tax, fee or other charge that by law is for the account of the Holders of the Defeased Notes.

Anything in this Article XII to the contrary notwithstanding, the Trustee shall deliver to the Company from time to time, upon Company Request, any money or U.S. Government Obligations held by it as provided in Section 1204 that, in the opinion of a nationally recognized accounting or investment banking firm expressed in a written certification thereof to the Trustee, are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Defeasance or Covenant Defeasance. Subject to Article VII, the Trustee shall not incur any liability to any Person by relying on such opinion.

Section 1206. Reinstatement. If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with Section 1202 or 1203, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the obligations of the Company and the Guarantors under this Indenture, the Notes and the Note Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to Section 1202 or 1203, as the case may be, until such time as the Trustee or Paying Agent is permitted to apply all such money and U.S. Government Obligations in accordance with Section 1202 or 1203, as the case may be; provided, however, that if the Company or any Guarantor makes any payment of principal, premium, if any, or interest on any Note following the reinstatement of its obligations, the Company or Guarantor, as the case may be, shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money and U.S. Government Obligations held by the Trustee or Paying Agent.

Section 1207. Repayments to the Company. The Trustee shall pay to the Company upon Company Request any money held by it for the payment of principal or interest that remains unclaimed for two years after the Stated Maturity or the Redemption Date, as the case may be. After payment to the Company, Holders entitled to money must look to the Company for payment as general creditors unless an applicable abandoned property law designates another Person and all liability of the Trustee or Paying Agent with respect to such money shall thereupon cease.

ARTICLE XIII

NOTE GUARANTEES

Section 1301. Guarantees Generally.

(a) Guarantee of Each Guarantor. Each Guarantor, as primary obligor and not merely as surety, hereby jointly and severally, irrevocably and fully and unconditionally Guarantees, on a senior unsecured basis, the punctual payment when due, whether at Stated Maturity, by acceleration or otherwise, of all monetary obligations of the Company under this Indenture and the Notes, whether for principal of or interest on the Notes, expenses, indemnification or otherwise (all such obligations guaranteed by such Guarantors being herein called the “Guaranteed Obligations”).

The obligations of each Guarantor will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor, result in the obligations of such Guarantor under the Note Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law, or being void or unenforceable under any law relating to insolvency of debtors.

(b) Further Agreements of Each Guarantor. (i) Each Guarantor hereby agrees that (to the fullest extent permitted by law) its obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of this Indenture, the Notes or the obligations of the Company or any other Guarantor to the Holders, the Trustee hereunder or thereunder, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, any release of any other Guarantor, the recovery of any judgment against the Company, any action to enforce the same, whether or not a notation concerning its Note Guarantee is made on any particular Note, or any other circumstance that might otherwise constitute a legal or equitable discharge or defense of a Guarantor.

(ii) Each Guarantor hereby waives (to the fullest extent permitted by law) the benefit of diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenants that (except as otherwise provided in Section 1303) its Note Guarantee will not be discharged except by complete performance of the obligations contained in the Notes, this Indenture and this Note Guarantee. Such Note Guarantee is a guarantee of payment and not of collection. Each Guarantor further agrees (to the fullest extent permitted by law) that, as between it, on the one hand, and the Holders of Notes and the Trustee, on the other hand, subject to this Article XIII, (1) the maturity of the obligations guaranteed by its Note Guarantee may be accelerated as and to the extent provided in Article VI for the purposes of such Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed by such Note Guarantee, and (2) in the event of any acceleration of such obligations as provided in Article VI, such obligations (whether or not due and payable) shall forthwith become due and payable by such Guarantor in accordance with the terms of this Section 1301 for the purpose of such Note Guarantee. Neither the Trustee nor any other Person shall have any obligation to enforce or exhaust any rights or remedies or to take any other steps under any security for the Guaranteed Obligations or against the Company or any other Person or any property of the Company or any other Person before the Trustee is entitled to demand payment and performance by any or all Guarantors of their obligations under their respective Note Guarantees or under this Indenture.

(iii) Until terminated in accordance with Section 1303, each Note Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Company for liquidation or reorganization, should the Company become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the

Company's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on such Notes, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

(c) Each Guarantor that makes a payment or distribution under its Note Guarantee shall have the right to seek contribution from the Company or any non-paying Guarantor that has also Guaranteed the relevant Guaranteed Obligations in respect of which such payment or distribution is made, so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantees.

(d) Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that its Note Guarantee, and the waiver set forth in Section 1305, are knowingly made in contemplation of such benefits.

(e) Each Guarantor, pursuant to its Note Guarantee, also hereby agrees to pay, jointly and severally, any and all out-of-pocket expenses (including reasonable counsel fees and expenses) incurred by the Trustee or the Holders in enforcing any rights under its Note Guarantee.

Section 1302. Continuing Guarantees. (a) Each Note Guarantee shall be a continuing Guarantee and shall (i) subject to Section 1303, remain in full force and effect until payment in full of the principal amount of all Outstanding Notes (whether by payment at maturity, purchase, redemption, defeasance, retirement or other acquisition) and all other Guaranteed Obligations then due and owing, (ii) be binding upon such Guarantor, and (iii) inure to the benefit of and be enforceable by the Trustee, the Holders and their permitted successors, transferees and assigns.

(b) The obligations of each Guarantor hereunder shall continue to be effective or shall be reinstated, as the case may be, if at any time any payment which would otherwise have reduced or terminated the obligations of any Guarantor hereunder and under its Note Guarantee (whether such payment shall have been made by or on behalf of the Company, or by or on behalf of a Guarantor) is rescinded or reclaimed from any of the Holders upon the insolvency, bankruptcy, liquidation or reorganization of the Company, or any Guarantor or otherwise, all as though such payment had not been made.

Section 1303. Release of Note Guarantees. Notwithstanding the provisions of Section 1302, Note Guarantees will be subject to termination and discharge under the circumstances described in this Section 1303. Any Guarantor will automatically and unconditionally be released from all obligations under its Note Guarantee, and such Note Guarantee shall thereupon terminate and be discharged and of no further force or effect: (i) concurrently with any direct or indirect sale or disposition (by merger or otherwise) of any Guarantor or any interest therein, or any other transaction, in accordance with the terms of this Indenture following which such Guarantor is no longer a Restricted Subsidiary of the Company; (ii) concurrently with the sale of all or substantially all of the assets of such Guarantor, in accordance with the terms of this Indenture; (iii) in the case of any Wholly Owned Domestic Restricted Subsidiary that after the Issue Date is required to guarantee the Notes pursuant to Section 414, at any time such Guarantor is (or, substantially concurrently with the release of the Note Guarantee of such Guarantor, will be) released from all of its obligations under its Guarantee of payment (or, if applicable, release from all of its obligations as a borrower) in respect of the Material Indebtedness that resulted in the obligation to guarantee the Notes (it being understood that a release subject to contingent reinstatement is still a release, and that if any such Guarantee is so reinstated, such Note Guarantee shall also be reinstated to the extent that such Guarantor would then be required to provide a Note Guarantee pursuant to Section 414); (iv) upon the merger or

consolidation of any Guarantor with and into the Company or another Guarantor that is the surviving Person in such merger or consolidation, or upon the liquidation of such Guarantor following the transfer of all of its assets to the Company or another Guarantor; (v) concurrently with any Guarantor becoming an Unrestricted Subsidiary or ceasing to constitute a Wholly Owned Domestic Restricted Subsidiary of the Company; (vi) upon the occurrence of a Covenant Suspension Event; provided that after the Reversion Time, such Note Guarantee shall be reinstated to the extent required and within the time period provided under Section 414; (vii) upon Defeasance or Covenant Defeasance of the Company's obligations under, or satisfaction and discharge of this Indenture pursuant to Section 1101; or (viii) subject to Section 1302(b), upon payment in full of the aggregate principal amount of all Notes then Outstanding and all other Guaranteed Obligations then due and owing. In addition, the Company will have the right, upon 10 days' notice to the Trustee (or such shorter period as agreed to by the Trustee), to cause any Guarantor that is not a primary obligor or guarantor under any outstanding Material Indebtedness to be unconditionally released from all obligations under its Note Guarantee, and such Note Guarantee shall thereupon terminate and be discharged and of no further force or effect.

Upon any such occurrence specified in this Section 1303, the Trustee shall execute any documents (subject to the review and approval of counsel to the Trustee) reasonably requested by the Company in order to evidence such release, discharge and termination in respect of such Note Guarantee and the Trustee will be entitled to receive and conclusively rely on an Officer's Certificate that the execution of any such document, release, discharge and termination is authorized.

Section 1304. Guarantors May Consolidate, etc., on Certain Terms. Except as otherwise provided in this Section 1304, no Guarantor may sell or otherwise dispose of all or substantially all of its assets to, or consolidate or merge with or into another Person, other than the Company or another Guarantor, unless:

(1) immediately after giving effect to that transaction, no Default or Event of Default exists; and

(2) either:

(a) in the case of a consolidation or merger, such Guarantor shall be the surviving or continuing entity;

(b) the Person (if other than the Company or a Guarantor) acquiring the property in any such sale or disposition or the Person (if other than the Company or a Guarantor) formed by or surviving any such consolidation or merger assumes all the obligations of that Guarantor under the applicable Indenture and its Note Guarantee pursuant to a supplemental indenture reasonably satisfactory to the Trustee; or

(c) such transaction is (i) a sale or other disposition of all or substantially all of the assets of such Guarantor (including by way of merger or consolidation) to a Person or Persons that are not (either before or after giving effect to such transaction) a Restricted Subsidiary; or (ii) a sale or other disposition of all of the Capital Stock of that Guarantor to a Person or Persons that are not (either before or after giving effect to such transaction) a Restricted Subsidiary.

In case of any such consolidation, merger, sale or conveyance and upon the assumption by the successor Person, by supplemental indenture, executed and delivered to the Trustee and reasonably satisfactory in form to the Trustee, of the Note Guarantee endorsed upon the Notes and the due and punctual performance of all of the covenants and conditions of this Indenture to be performed by the Guarantor, such successor Person shall succeed to and be substituted for the Guarantor with the same effect as if it had been

named herein as a Guarantor. Such successor Person thereupon may cause to be signed any or all of the Note Guarantees to be endorsed upon all of the Notes issuable hereunder which theretofore shall not have been signed by the Company and delivered to the Trustee. All the Note Guarantees so issued shall in all respects have the same legal rank and benefit under this Indenture as the Note Guarantees theretofore and thereafter issued in accordance with the terms of this Indenture as though all of such Note Guarantees had been issued at the date of the execution hereof.

Except as set forth in Articles IV and V, and notwithstanding subclauses (b) and (c) of the second preceding paragraph, nothing in this Indenture or in any of the Notes shall prevent any consolidation or merger of a Guarantor with or into the Company or another Guarantor, or shall prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Company or another Guarantor.

Section 1305. Waiver of Subrogation. Each Guarantor hereby irrevocably waives any claim or other rights that it may now or hereafter acquire against the Company that arise from the existence, payment, performance or enforcement of the Company's obligations under the Notes and this Indenture or such Guarantor's obligations under its Note Guarantee and this Indenture, including any right of subrogation, reimbursement, exoneration, indemnification, and any right to participate in any claim or remedy of any Holder of Notes against the Company, whether or not such claim, remedy or right arises in equity, or under contract, statute or common law, until this Indenture is discharged and all of the Notes are discharged and paid in full. If any amount shall be paid to any Guarantor in violation of the preceding sentence and the Notes shall not have been paid in full, such amount shall be deemed to have been paid to such Guarantor for the benefit of, and held in trust for the benefit of, the Holders of the Notes, and shall forthwith be paid to the Trustee for the benefit of such Holders to be credited and applied upon the Notes, whether matured or unmatured, in accordance with the terms of this Indenture.

Section 1306. Notation Not Required. Neither the Company nor any Guarantor shall be required to make a notation on the Notes to reflect any such Note Guarantee or any release, termination or discharge thereof.

Section 1307. Successors and Assigns of Guarantors. All covenants and agreements in this Indenture by each Guarantor shall bind its respective successors and assigns, whether so expressed or not.

Section 1308. Execution and Delivery of Note Guarantees. The Company shall cause each Restricted Subsidiary that is required to become a Guarantor pursuant to Section 414, and each Subsidiary of the Company that the Company causes to become a Guarantor pursuant to Section 414, to promptly execute and deliver to the Trustee a Guarantor Supplemental Indenture, or a supplemental indenture otherwise in form reasonably satisfactory to the Trustee evidencing its Note Guarantee on substantially the terms set forth in this Article XIII. Concurrently therewith, the Company shall deliver to the Trustee an Opinion of Counsel to the effect that such Guarantor Supplemental Indenture has been duly authorized or permitted or complies with this Indenture, that all conditions precedent to such Guarantor Supplemental Indenture required by this Indenture have been complied with and that such Guarantor Supplemental Indenture is a valid and binding agreement of the applicable Guarantor, enforceable against such Guarantor in accordance with its terms.

Section 1309. Notices. Notice to any Subsidiary shall be sufficient if addressed to such Guarantor care of the Company at the address, place and manner provided in Section 109.

IN WITNESS WHEREOF, the parties hereto have caused this Indenture to be duly executed, all as of the date first written above.

Reference is made to Article XIII of the Indenture for terms relating to such Note Guarantees, including the release, termination and discharge thereof. Neither the Company nor any Guarantor shall be required to make any notation on this Note to reflect any Note Guarantee or any such release, termination or discharge.

The Notes are redeemable, at the Company’s option, in whole or in part, as provided in the Indenture.

The Indenture provides that, upon the occurrence after the Issue Date of a Change of Control and subject to further limitations contained therein, each Holder will have the right to require that the Company repurchase all or any part of such Holder’s Notes in accordance with the provisions set forth in Section 4.15 of the Indenture.

The Notes will not be entitled to the benefit of a sinking fund.

The Indenture contains provisions for defeasance at any time of the entire Indebtedness of this Note or certain restrictive covenants and certain Events of Default with respect to this Note, in each case upon compliance with certain conditions set forth in the Indenture.

If an Event of Default with respect to the Notes shall occur and be continuing, the principal of and accrued but unpaid interest on the Notes may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Notes to be effected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of at least a majority in principal amount of the Notes at the time Outstanding. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Notes at the time Outstanding, on behalf of the Holders of all Notes, to waive compliance by the Company and its Subsidiaries with certain provisions of the Indenture and certain past defaults under the Indenture and their

consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

As provided in and subject to the provisions of the Indenture, the Holder of this Note shall not have the right to institute any proceeding with respect to the Indenture or for the appointment of a receiver or trustee or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default with respect to the Notes, the Holders of not less than 30.0% in principal amount of the Notes at the time Outstanding shall have made written request to the Trustee to pursue such remedy in respect of such Event of Default as Trustee and offered the Trustee security and/or indemnity satisfactory to it against any loss, liability or expense, and the Trustee shall not have received from the Holders of a majority in principal amount of Notes at the time Outstanding a direction inconsistent with such request, and shall have failed to institute any such proceeding, for 60 consecutive days after receipt of such notice, request and offer of security and/or indemnity. The foregoing shall not apply to any suit instituted by the Holder of this Note for the enforcement of any payment of principal hereof or interest hereon on or after the respective due dates expressed herein.

As provided in the Indenture and subject to certain limitations and other provisions therein set forth, (a) the transfer of this Note is registrable in the Note Register, upon surrender of this Note for registration of transfer at the office or agency of the Company in a Place of Payment, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company duly executed by, the Holder hereof or such Holder's attorney duly authorized in writing, and thereupon one or more new Notes, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees, (b) the Notes are issuable only in fully registered form without coupons in minimum denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof, and (c) the Notes are exchangeable for a like aggregate principal amount of Notes of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration, transfer or exchange, but the Company or the Trustee may require payment of a sum sufficient to cover any transfer tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Note for registration or transfer, the Company, any other obligor in respect of this Note, the Trustee and any agent of any of them may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and none of the Company, any other obligor in respect of this Note, the Trustee nor any such agent shall be affected by notice to the contrary.

No past, present or future director, manager, officer, employee, incorporator, member, partner or stockholder of the Company, any Guarantor or any Subsidiary of any thereof, in their respective capacities as such, shall have any liability for any obligation of the Company or any Guarantor under the Note Documents, or for any claim based on, in respect of, or by reason of, any such obligation or its creation. Each Noteholder, by accepting the Notes, waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

THE INDENTURE AND THIS NOTE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK. THE TRUSTEE, THE COMPANY, ANY OTHER OBLIGOR IN RESPECT OF THIS NOTE AND (BY ITS ACCEPTANCE OF THIS NOTE) THE HOLDER HEREOF AGREE TO SUBMIT TO THE JURISDICTION OF ANY UNITED STATES FEDERAL OR STATE COURT LOCATED IN THE BOROUGH OF MANHATTAN, IN THE CITY OF NEW YORK IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THE INDENTURE, THIS NOTE, OR THE NOTE GUARANTEES.

Re: XEROX HOLDINGS CORPORATION (the “Company”)

8.875% Senior Notes due 2029 (the “Notes”)

Ladies and Gentlemen:

In connection with our proposed sale of \$ aggregate principal amount of Notes, we confirm that:

1. We understand that any subsequent transfer of the Notes is subject to certain restrictions and conditions set forth in the Indenture dated as of March 20, 2024, relating to the Notes (as amended, supplemented, waived or otherwise modified, the “Indenture”) and the undersigned agrees to be bound by, and not to resell, pledge or otherwise transfer the Notes except in compliance with, such restrictions and conditions and the Securities Act of 1933, as amended (the “Securities Act”).

2. We understand that the Notes have not been registered under the Securities Act or any other applicable securities law, and that the Notes may not be offered, sold or otherwise transferred except as permitted in the following sentence. We agree, on our own behalf and on behalf of any accounts for which we are acting as hereinafter stated, that if we should offer, sell, transfer, pledge, hypothecate or otherwise dispose of any Notes within one year after the original issuance of the Notes, we will do so only (A) to the Company, (B) inside the United States to a “qualified institutional buyer” in compliance with Rule 144A under the Securities Act, (C) inside the United States to an institutional “accredited investor” (as defined below) that, prior to such transfer, furnishes to you a signed letter substantially in the form of this letter, (D) outside the United States to a foreign person in compliance with Rule 904 of Regulation S under the Securities Act, (E) pursuant to the exemption from registration provided by Rule 144 under the Securities Act (if available), or (F) pursuant to an effective registration statement under the Securities Act, and we further agree to provide to any person purchasing any of the Notes from us a notice advising such purchaser that resales of the Notes are restricted as stated herein and in the Indenture.

3. We understand that, on any proposed transfer of any Notes prior to the later of the original issue date of the Notes and the last date the Notes were held by an affiliate of the Company pursuant to clauses (C), (D) and (E) of paragraph 2 above, we will be required to furnish to you and the Company such certifications, legal opinions and other information as you and the Company may reasonably require to confirm that the proposed transfer complies with the foregoing restrictions. We further understand that the Notes purchased by us will bear a legend to the foregoing effect.

4. We are an institutional “accredited investor” (as defined in Rule 501(a)(1), (2), (3) or (7) under the Securities Act) and have such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of our investment in the Notes, and we and any accounts for which we are acting are acquiring the Notes for investment purposes and not with a view to, or offer or sale in connection with, any distribution in violation of the Securities Act, and we are each able to bear the economic risk of our or its investment.

5. We are acquiring the Notes purchased by us for our own account or for one or more accounts (each of which is an institutional “accredited investor”) as to each of which we exercise sole investment discretion.

You, the Company and counsel to the Company are entitled to rely upon this letter and are irrevocably authorized to produce this letter or a copy hereof to any interested party in any administrative or legal proceedings or official inquiry with respect to the matters covered hereby.
